The Placement Cell started functioning with a very clear objective of ensuring a higher placement record and a better reach to the students of the college.

To facilitate this objective, a 'Placement Awareness Programme' was conducted, under which, the Placement representatives visited each division of the BE to give a short presentation on the Placement Cell and its planned activities for the current year. This ensured that the students were well informed about the placement activities of the college and their contribution in it.

For improving employability value addition skills need to be imparted, considering these perspective students should be motivated to participate in trainings, certifications, and internships.

### The Following Training Activities are Also Conducted:-

In the Academic Year 2020-21, in association with RPG Zensar an Employability Skill Development Programme (ESD) constituting Soft skill, Quantitative Aptitude, Core Java, Advance Java, Database, Manual Testing, Automation Testing etc. 300+ hours of training was conducted. From the Academic Year 19-20, Electronics and Telecommunication students explore the training opportunity. The highlight of the Programme is value addition of "Artificial Intelligence and Machine Learning" module conducted by corporate Industry experts.

Observing the diversity of the students for all eligible students of 2020-21 batch additional training was imparted including quantitative analysis, logical reasoning, group discussion, interview techniques, e-mail writing. The outcome of the training was 297 students were placed within Academic Year 2020-21.
