Report of Audit Course on "Leadership and Personality Development"

An audit course on the topic "Leadership and Personality Development" was conducted for the TE IT students by Ms. Sfurti Sahare, Motivational Speaker. Sfurti. She is the author of the National Best-selling book called "Think and Win Like Dhoni". The course conducted for 30 hours. The course was conducted from 11th April, 2022 to 07th May, 2022 in the classroom 205.

On the day of inauguration the speaker was felicitated by Prof. A.D.Khairkar TE GFM. The speaker then addressed the students and briefed them about the activities that she was going to conduct.

She started the workshop with a very creative introductory session, where students had to introduce themselves in a novel way. They had to mention their name and list out their hobbies as well as achievements. This was followed by an activity where the students have to come up on stage and perform a TV ad thereby giving an opportunity to overcome their stage fright. It was an enjoyable ice-breaking exercise and it was observed that students were quite engrossed in the exercise. She also guided us on how we can overcome your stage fright by training your body and mind to relax and trying a few tricks. In the first session covering the first unit the students were made acquaint to the topic of Personality Development through a captivating PowerPoint Presentation. She highlighted three main leadership issues: type of leaders, leadership styles and leadership traits. The pros and cons of each leadership type were then discussed.

In the last session the students were told to make a chart of their future goals. The speaker analysed these charts and based on it an interactive session was held for every student. In the next activity, the students were divided into groups consisting 4 members and each group was allotted a topic for role play. Each group had to conceive an appropriate skit representing their topic. All the members of the group had to participate in the role play and in the end one member from each group had to

• speak about the life skills portrayed in the play. It was indeed fun for all the students as they got an opportunity to display their acting prowess. Towards the end, vote of thanks was delivered by Ms. Mansi Potre and the Audit Course completed successfully.

This was followed by an activity where the students have to come up on stage and perform a TV ad thereby giving an opportunity to overcome their stage fright. It was an enjoyable ice-breaking exercise and it was observed that students were quite engrossed in the exercise. Another activity i.e. "Stone Painting" was organised where the students had to paint a stone with a brief message on it. The students indeed enjoyed this activity and understood how creativity and art can help us relax our mind.

In the third unit, the students were enlightened about the Leadership Skills. She highlighted three main leadership issues: type of leaders, leadership styles and leadership traits. The pros and cons of each leadership type were then discussed.

In the last session the students were told to make a chart of their future goals. The speaker analysed these charts and based on it an interactive session was held for every student. In the next activity, the students were divided into groups consisting 4 members and each group was allotted a topic for role play. Each group had to conceive an appropriate skit representing their topic. All the

members of the group had to participate in the role play and in the end one member from each group had to speak about the life skills portrayed in the play. It was indeed fun for all the students as they got an opportunity to display their acting prowess.
