

Bharati Vidyapeeth's College of Engineering for Women, Pune-43

Entrepreneurship Development Cell

Entrepreneurs play a key role in any economy. These are the people who have the skills and initiative necessary to anticipate current and future needs and bring good new ideas to Market. Even Govt. of India has recognized the importance of entrepreneurship and has introduced programs like "Make in India" & "Start-up India".

An Entrepreneurship Development Cell is initiated in the Institute with the goal of nurturing entrepreneurship skills of the students.

BVCOEW established the Entrepreneurship Development Cell in 2018-19. Under this cell, many startups related activities have been conducted.

ED cell of BVCOEW has organized the visit to Ergan Technovision Pvt. Ltd. to interact with the Entrepreneur.

BVCOEW has organized Business Poster Competition under Entrepreneurship Development Cell "Yukti" during Avinya 23, technical festival. Total 17 students have participated in this competition and Entrepreneurship Development Cell has also organized Start-up Idea Competition- "AAROHANA", Avinya, 23 have participated in competition. Total 15 groups have participated in this competition.

Entrepreneurship Development cell organized a seminar on Entrepreneurship Development Which was held for first year students on 31st May 2023 to encourage the new generation about entrepreneurship by explaining its benefits, importance and how it affects the GDP of our country. This seminar gave a new perspective about business and Entrepreneurship.

Entrepreneurship Development Cell of Bharati Vidyapeeth's College of Engineering For Women , Pune organized a "Workshop On Startup And Entrepreneurship Development" conducted by Mr. Sachin Kumbhoje , Mrs. Anjori Parandekar and Mr. Veeshwajeet Kashid on 15th of September 2023. Total 100 students of TE(E&TC,IT, COMP) attended the workshop.
