Drupal is a free and open-source web content management framework written in PHP and distributed under the GNU General Public License. Drupal provides a back-end framework for at least 2.3% of all websites worldwide ranging from personal blogs to corporate, political, and government sites. Systems also use Drupal for knowledge management and for business collaboration.

Considering the need of hour, the Department of Electronics and Telecommunication Engineering had organized National level one week Faculty Development Program on "DRUPAL", in association with "IIT Bombay Spoken Tutorial."

This one week Faculty Development Program was organized from 18th May 2020 to 23rd May 2020. More than 170 candidates were registered for this FDP from different colleges from all over India. This FDP was conducted through Online Mode and hands-on sessions were conducted by Spoken Tutorials. At the end of the FDP, feedback was taken and certification of participation were mailed to all the participants.

The FDP was arranged under the able guidance of Prof. Dr. S. R. Patil, Convener, Principal. Prof. Dr. V.R. Pawar, coordinator and co-coordinators Prof. K.D. Mahajan, Prof. V.V. Gaikwad conducted the online FDP successfully.
