Feedback Process

The centralized feedback committee of the Institute collects the online feedbacks from institute stakeholders from time to time. Feedback from students, teachers, alumni, and employers are intensively applied for enhancing the overall development of the Institution. At the end of every semester, the committee collects and analyzes the department wise faculty course feedback from students for a comprehensive progression of the course teachers. The committee also obtains the feedback on syllabus and its transition in the institution from students as well as teachers at the end of every academic semester. The analysis of the feedbackis discussed by the institute representatives at the time of syllabus setting meetings organized by respective Board of Studies (BoS) faculty members in association with university. Each department conducts a graduate exit survey of final-year students about the teaching-learning process, curriculum, co-curricular extracurricular activities, infrastructurefacilities, Training/Placement activities, continuous improvements, and industry supports. Thefeedback committee collects the feedback of alumni at the time of the annual alumni meet to strengthen the bond between the Institute and alumni for getting the sponsorship for the projects, internships, and to schedule, the alumni talk. Feedback committee also collects the feedback of employers to bridge the gap between industry and academia for better employment opportunities. The corrective action plan is implemented after discussions of the Head ofthe Institute with Heads of the departments.
