The Placement Cell started functioning with a very clear objective of ensuring a higher placement record and a better reach to the students of the college.

To facilitate this objective, a 'Placement Awareness Programme' was conducted, under which, the Placement representatives visited each division of the BE to give a short presentation on the Placement Cell and its planned activities for the current year. This ensured that the students were well informed about the placement activities of the college and their contribution in it.

For improving employability value addition skills need to be imparted, considering these perspective students should be motivated to participate in trainings, certifications, and internships.

In the Academic Year 2024-25, in association with RPG Zensar, an Employability Skill Development Programme (ESD) constituting Quantitative Aptitude, Advance Java, Python, SQL & PL etc. 110 hours of training was conducted (Online & Offline Mode). From the Academic Year 22-23, Electronics and Telecommunication students are also permitted to explore the training opportunity.

Observing the diversity of the students for all eligible students of 2024-25 batch additional training was imparted including quantitative analysis, logical reasoning, group discussion, interview techniques, e-mail writing, Competitive Programming. The outcome of the training was **36** (till date 14-09-2024) students were placed within Academic Year 2024-25.
