**Brief Report of Activity**

Webinar on "**Aptitude and technical training**" by "Carpe diem Boot camp" was organized in Bharati Vidyapeeth's College of Engineering for Women for Third-year Engineering. The guest speaker for the session was Mr. Avinash Phatak on 11/03/2023. Mr. Avinash Phatak is an IT professional having more than 17 years of experience.

The program started with the welcome speech and introduction of the guest speaker Mr. Avinash Phatak then started his presentation on '**Aptitude and technical training**'. He started the webinar with explaining us about Aptitude and the importance of completing revision along with the academics during engineering. He also gave us information about the skills that must be developed. Moreover, the information about how an individual can crack the aptitude and technical rounds in a company was given to the students. After this we had been given few questions based on that and the tricks to solve those perfectly were also given. Later all the doubts of the students were cleared by the speaker.

The Webinar was concluded with a brief summary and the sincere vote of thanks. Overall, it was really beneficial as we came to know about the importance Aptitude and technical rounds and many tips and tricks to solve them efficiently.

#### Report of webinar on "Training Demo of Aptitude and Technical Training"

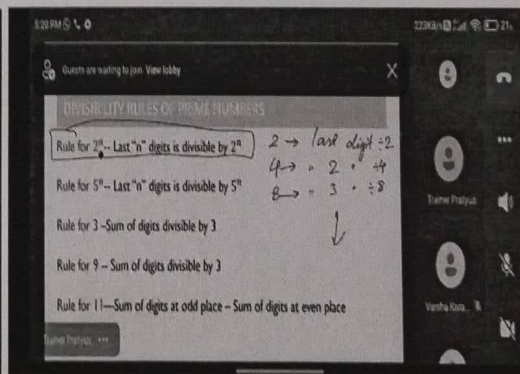

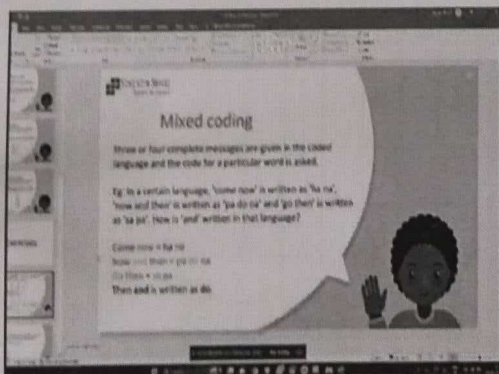

25<sup>th</sup> February 2023

A webinar on the topic "Training Demo of Aptitude and Technical Training(Seventh Sense Talent Solution)", by Mr. Vivek and Mr. Pratyus Praty was held for the students of TE-IT on 25<sup>th</sup> February 2023.

The webinar started with the introduction of the speaker. . Then Mr. Vivek and Mr. Pratyus addressed the students by telling about Aptitude and Technical Training. They gave brief information about Seven Sense Talent Solution.

The session was divided into two parts of one hour each. The first half of the seminar was conducted by Mr. Vivek who taught the students about aptitude topics like encoding, decoding of numbers and alphabets. Mr. Pratyus gave a brief insight about Python in the next half which enhanced the students knowledge and gave them confidence in attempting aptitude and coding questions in the future..

Webinar was very informative and students learnt a lot about aptitude and technical training and they got guidance regarding career. The webinar ended on a happy note.

### Webinar on Aptitude and technical training

#### Brief Report of Activity

Webinar on "Aptitude and technical training" by "Seven sense pvt. Ltd." was organized in Bharati Vidyapeeth's College of Engineering for Women for Third-year Engineering. The guest speaker for the session was Mr. Aditya Wakodakar on 25/02/2023. Mr. Aditya Wakodakar is an IT professional having more than 17 years of experience. His domain expertise includes programming in languages like Python, Django, ML, etc.

The program started with the welcome speech and introduction of the guest speaker Mr. Aditya Wakodakar then started his presentation on 'Aptitude and technical training'. He started the webinar with explaining us about Aptitude and the importance of completing revision along with the academics during engineering. He also gave us information about the skills that must be developed. Moreover, the information about how an individual can crack the aptitude and technical rounds in a company was given to the students. After this we had been given few questions based on that and the tricks to solve those perfectly were also given. The Webinar was concluded with a brief summary and the sincere vote of thanks. Overall, it was really beneficial as we came to know about the importance Aptitude and technical rounds and many tips and tricks to solve them efficiently.

AUDIT COURSE ON "ENTREPRENEURSHIP DEVELOPMENT"

**Brief Report of Audit Course-6**

Audit on "**Leadership and Personality Development**" was organized in Bharati Vidyapeeth College of Engineering for women for TE students on 15-04-23, 06-05-23 and 20-05-23. The resource person of the audit course **Miss Sfurti Sahare** mam, is a Business Development Manager. She has experience in training and mentoring students who want to develop in **Leadership and Personality Development**

The seminar started at 9.00 am with greetings from **Miss Sfurti Sahare** mam, followed by a short introduction to the audit course on leadership development and the speaker **Miss Sfurti Sahare** mam. As the audit course was about leadership development, she first explained the agenda for economic growth, and job creation then started with the audit course. The concept of leadership has been transforming over the years due to the socio-economic and political changes in the world. Fear was a major factor that defined leadership. However, the trend has changed and leaders are expected to influence their followers in ways other than the use of fear. Overall, leadership development continues to be a focal point for many individuals for creating jobs, and driving sustainable development.

#### *Report of webinar on "Training Demo of Aptitude and Technical Training"*

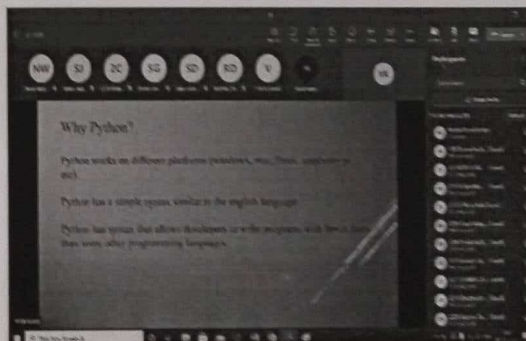

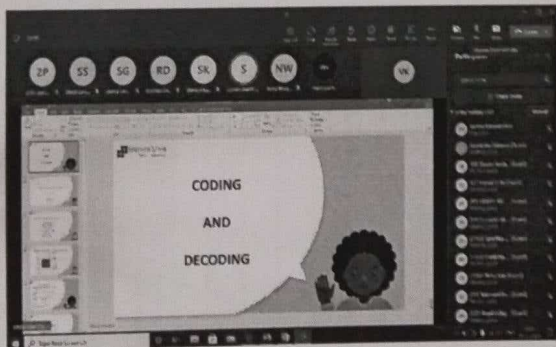

9<sup>th</sup> March 2023

A webinar on the topic "Training Demo of Aptitude and Technical Training(Seventh Sense Talent Solution)", by Mr. Vivek and Mr. Saqlain Shariff was held for the students of SEIT and BEIT on 9<sup>th</sup> March 2023 from 5 pm to 7 pm.

Webinar started with the introduction of the speaker. Then Mr. Vivek and Mr. Saqlain Shariff addressed the students by telling about Aptitude and Technical Training. They gave brief information about Seventh Sense Talent Solution.

The session was divided into two parts of one hour each. The first half of the webinar was conducted by Mr. Vivek who taught the students about aptitude topics like encoding, decoding of numbers and alphabets and then Mr. Saqlain Shariff gave a brief insight about Python in the next half which enhanced the students knowledge and gave them confidence in attempting aptitude and coding questions in the future.

Webinar was very informative and students learnt a lot about aptitude and technical training and they got guidance regarding career. The webinar ended on a happy note.

### **Report of Audit Course VII on "414449C: English for Research Paper Writing"**

*2022-23, SEM-I*

As per the curriculum of BE IT (2019 course) it is mentioned to conduct an audit course VII (non-credit course) mandatory for BE IT students. The IT department had decided to offer **"414449C: English for Research Paper Writing"** as an audit course VII. This course was conducted by **Dr. Arati Agarkar, Associate Professor, MMCOE, Pune**. The contents covered are as given below. The planning and preparation, highlights, hedging, different sections of papers, highlights and plagiarism. She also explained solutions to actual writing problems. The audit course was conducted successfully under the valuable guidance of H.O.D, Prof. (Dr.) D. A. Godse.

**Dr. Arati Agarkar** planned the syllabus in 8 sessions followed by groupwise discussion for literature survey of their project. The some sessions were conducted in classroom 205 and some session and project related paper discussion were conducted on online platform Google Meet. Then project groups submitted the report and research paper on the topic.

After completion of this course students were able to understand how to improve writing skills and level of readability, identify and categorize about what to write in each section and prepare the good quality of paper at very first-time submission. Audit course completion certificates were provided to all students.

**Dr. Arati Agarkar, Associate Professor, MMCOE, Pune while guiding students of BE IT during audit course on English for Research Paper Writing from 24/9/2022 to 28/11/2022**

**Audit Course- Foreign Language (German Language module II)**

The Foreign Audit Course was organized for Second-year students of the Computer Engineering Department. As per the curriculum, the students from SE Computer selected German language for the second audit course of the year.

Dr. Shital Pawar has organized the 30-hour course by inviting a German Language Faculty for the same. Every day one-hour German session was conducted wherein the students were taught about the basics of the language. Ms. Renuka Pathak engaged the students by conducting one-to-one sessions, and fun activities for better and fast understanding of the language.

The students were divided into four teams and healthy competition was conducted among them for implementing the knowledge learned so far.

By the end of the semester, the students were able to understand and speak the language at the introductory level. With the guidance of Ms. Renuka Pathak and the support of faculty Prof. Dr. Shital Pawar and HOD Prof. D. D. Pukale the course was completed with optimal outcome. All 77 students of SE Computer have completed this audit course.

As we know 21st June is celebrated as 'International Yoga Day' all over the world. Yoga is a practice that connects the body, health and mind. It not only helps in enhancing our physical strength but also our mental ability.

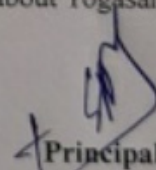

In view of this, NSS unit of Bharati Vidyapeeth College of Engineering for Women, together with NSS Program Officers Prof. S A Itkarkar and Prof. Dr. Sonali Kadam has conducted a workshop on Yoga. A very experienced Yogatrainer was present there for guiding and training us. Overall unit of 100 volunteers participated in the activity with great enthusiasm.

The Yoga trainer conducted various Yogasanas and Pranayama. We were also taught about the benefits of performing those Yogasanas. All have taken classes with high level of dedication. Few of the volunteers also shared their experience of doing Yoga regularly. Our Principal Sir also addressed us about the importance of Yoga in our day to day life.

The trainer have also explained remedies for personal health problems to the participants with lot of patience. Overall, it was a great experience. We got to learn much about Yogasanas.

Report "Seminar On Women Health"

Date: 17 Feb 2023

**"Health is real Wealth!!"** on the 17th February '23 a seminar was held at our college for the second year students. Our chief guest was none other than Dr. Vandana Nimbargi, prof and unit in charge Bharati Hospital, SE 2 ENTC CR Ananya Wagh introduced the guest of honor, that was followed by a speech given by Principal Prof. Dr. S.R. Patil. Dr. Nimbargi was welcomed with a bouquet of flowers. Being a gynecologist she spoke on various aspects of women's health and relating issues. She further elaborated polycystic ovarian syndrome which is in fact a very common disease among women and with the help of a PPT she explained the issues that are caused due PCOS/PCOD. The students were made aware about their health situation and the symptoms to recognize the start of PCOS/PCOD. She also suggested everyone various measures to help and prevent them from getting such diseases and if symptoms are visible then they must see a gynecologist immediately. The seminar came to an end with some questionnaire from the students and all in all it was a very informative and great session. 73 students and 4 staff members attended this event. Thank You!

**Report of Seminar on "SMAC Technologies and the Future"**

The ACM organized a seminar on "SMAC Technologies and the Future" by Ajay Deshpande, Senior Director, Icertis, Pune on the 23<sup>rd</sup> March, 2023, Thursday from 10.30 AM to 12.00 PM for SE and TE IT. Total of 98 students attended this seminar.

The program started with a welcome speech and the introduction of the speaker by TE IT student Ms. Prajwal Said. The speaker, Ajay Deshpande sir gave a brief introduction about what are SMAC technologies; i.e., Social Media, Mobility, Analytics and Cloud Computing. Then sir explained each concept in detail starting with trends from 1950 and the evolution that followed with real life examples. Sir also explained how these technologies will drive market growth in future. Sir suggested to go through a few case studies and recommended few projects for students.

Then the session ended with a Vote of Thanks speech by TE IT student, Ms. Shailja Shree.

The session was very interesting and interactive. Students got answers to all their questions. The conduction of this event was a great success.

**Workshop on Python Programming for Machine Learning**

**Brief Report of Activity**

Workshop on “**Python Programming for Machine Learning**” was organized in Bharati Vidyapeeth's College of Engineering Women, for Second year Computer Engineering students. It was conducted on 23/11/2022 and 24/11/2022. The guest speaker of the workshop was Mr. ATUL WADKAR. He is an Open-Source enthusiast who is Director at Algorithmic Electronics, Pune with 10+ years of experience in IoT, AI-ML Development and Training.

The program started with the welcome speech and introduction of the speaker by Student Miss Malishka Salke. Mr. Atul Wadkar then started his presentation on ‘Basics of Python’ with the explanation about the importance of python ,basics such as syntax, datatypes, its basics and gave various assignments to perform . He explained us about AI-ML, he also engaged us by giving assignments on topics we learned related to AI-ML. He showed a detailed presentation on importance of AI-ML. At the end of the session we completed a mini project on Alexa where-in we customized it according to our own choices.

The Workshop was concluded with a sincere vote of thanks by Student Miss. Ramya Vaddempudi. Overall, it was really beneficial as we came to know about the importance of Python as well as AI-ML

#### Brief Report of Activity

Webinar on "Webinar on "Coding Super Power: Go Easy with C++ and Logic Building"" by "BrightSea Technology OPC Private Limited" was organized in Bharati Vidyapeeth's College of Engineering for Women for Second-year Engineering. The guest speaker for the session was Miss Bhakti Jagtap on 25/3/2023. Miss.bhakti Jagtap is Director having more than 5 years of experience. Her domain expertise includes programming in languages like C,C++ etc.

The program started with the welcome speech and introduction of the guest speaker Miss Bhakti Jagtap started her presentation on 'Introduction to C++'. she started the webinar with explaining us about need of C and C++ language.He also gave us information about the technical terms from C++. Moreover, the information about how to do programming in C++. After this we had been given few questions based on that and the tricks to solve those perfectly were also given.The Webinar was concluded with a brief summary and the sincere vote of thanks. Overall, it was really beneficial as we came to know about the importance

Report of webinar on "Coding Super Power"

A webinar on "Coding Super Power" was organized on 24<sup>th</sup> March 2023 by Ms. Bhakti, Bright Sea Technology Pune for second year students. Principal and Head of E&TC Engg. dept., Prof. Dr. S. R. Patil inaugurated the webinar. He interacted with the students and proudly welcomed the speaker, Ms Bhakti, the Alumina of the college started company Bright Sea Technology. The training Cell In charge, Prof. S. T. Khot continued session by Introduction of Alumnia and further motivated students for such kind of work.

The speaker, Ms. Bhakti captured the student's crowd from starting as webinar started with first year engineering, practical sessions, exam phobia, and all other college memories. Then main key-factors of this webinar were highlighted by the speaker. The speaker explained coding importance, different coding methods, how to learn and practice, how to select coding areas for different project. The speaker further enlightened the session with different areas of coding scopes, application areas of software job and gave practical demo of small project. The way he conveyed the concepts was very understandable and easy to grasp. The speaker not only explained the topic but also explained what type of mistakes should be avoided. All students were more interacted and asked even small doubts

Furthermore, the session was very interactive as all students are eagerly asking the question about journey of the speaker from college till date. The end part of session was interesting as each student willingly expressed their future plan and asking queries for implementation. Overall, this webinar was productive and gave the students an opportunity to expand their knowledge.
