## Department of Electronics and Telecommunication Engineering

### Vision:

To develop women professionals to become a valuable resource for industry and society through E&TC Engineering.

### Mission:

- To provide quality and value based education for women in the field of E&TC Engineering.
- To train women to keep pace with rapidly changing technological needs of industry and research.

## Program Educational Objectives (PEOs)

1. Ability to apply electronics knowledge, to identify formulates and solve Engineering problems.
2. Acquire knowledge to find out workable solutions in the field of Telecommunication.
3. Exhibit programming skills with the use of various software tools.
4. Inculcate continuous learning through interdisciplinary approach.
