Electronics and Telecommunication Students Association (ETSA)

Report of seminar on “Advanced Data Structure”

A seminar on “Advanced Data Structure” was organized on 10th July 2024 by Mr.Nagesh Mhetre, Click In Computer Pune for second year students. Head of E&TC Engg. dept., Prof. Dr. S.R.Patil inaugurated the seminar.

The main key-factors of this webinar were highlighted by the speaker Mr. Nagesh Mhetre. The first thing he enlightened us was about the scope of Data structures after degree completion like in core electronics, tele-communication field, software jobs, end user and technical support. It also contained information about types of languages i.e. High level language and low level language along with their instructions, ascending and descending order, Graph, Trees and various examples. The way he conveyed the concepts was very understandable and easy to grasp. Overall, this seminar was productive and gave the students an opportunity to expand their knowledge. Total 76 students have attended this seminar.

Seminar on “Advanced Data Structure” by Mr.Nagesh Mhetre, on 10th July 2024 for SE E&TC students.
