DTE Institute Code-EN6285, Pun Code-PU/PN/Engg. /150/2000

Institution Innovation Council (IIC)

Ministry of Education's Innovation Cell (MIC) launched the Institution's Innovation Council (IIC) program in collaboration with AICTE to systematically foster the culture of Innovation and start-up ecosystem in higher education institutions. The primary goal of this council is to inspire, encourage and nurture the young students for different activities involved in pre-incubation, incubation and making successful startups.

Our college has established Institution Innovation Council in year 2020 for promoting different activities related to the innovation, IPR, startup and entrepreneurships. Faculties and students are the members of IIC. The IIC cell conducts quarterly meetings in every quarter to plan the quarterly activities and review quarterly conducted activities. Due to these activities, students get chance to participate in various innovation related initiatives and competition organized by MHRD. Our Institute received grant from AICTE Ministry of Education (MoE) under Impact Lecture Series 2024.

Vision

BVCOEW Start-up and Innovation strives to be a pioneer in fostering a supportive environment and culture for start-ups and innovation via creative activities Cell and contributing to the economic growth and social advancement of the nation.

Mission

To be a leading institution in establishing a culture of start-up and innovation and providing an environment for budding entrepreneurs via activities such as sharing ideas, experience, networking, mentoring, innovation, and start-up.

Functions of IIC:-

- To conduct various innovation and entrepreneurship-related activities prescribed by Central MIC in time bound fashion.
- Identify and reward innovations and share success stories.
- Organize periodic workshops/ seminars/ interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovators.
- Create an Institution's Innovation portal to highlight innovative projects carried out by institution's faculty and students.
- Organize Hackathons, idea competition, mini-challenges etc. with the involvement of industries.
