"Resolved and approved by Management"

Agenda point no. 5.

The chairperson of IQAC, Prof. Dr. S. R. Patil informed that an internship aids engineering students to learn and sharpen in-demand technical skills, it helps to learn professional ethics or etiquette and helps in polishing the soft skills. Engineering students get an opportunity to work on projects, get acquainted with different clients, and expose them to the actual work environment, contrasting with their textbook theories. The Covid-19 situation introduced us to a new thing which is remote internship (Online). All HoDs agreed to work on internships for students.

"Resolved and approved by Management"

Agenda point no. 6.

Placement coordinator Prof. Pranoti Kale elaborated that RPG Zensar incorporated Electronics and Telecommunication Students in an Employability skill development program. Many online learning platforms like Course Era, Udemy, etc. offer Skill Enhancement Courses for free or very low cost. In a way online lectures and practical's save the commute time of students which they can utilize for completing online courses this scenario will definitely help in the proposed placement of this batch.
