In view of the upcoming NAAC (National Assessment and Accreditation Council) first visit, the NSS Unit of Bharati Vidyapeeth's College of Engineering for Women undertook the task of organizing and preparing the NSS Room to present a structured and comprehensive overview of its activities and achievements.

Under the guidance of Prof. Dr. S. A. Itkarkar, NSS Coordinator, student volunteers actively participated in the cleaning, arrangement, and display setup. Important documents such as annual reports, activity registers, certificates, event photographs, and feedback records were sorted and systematically displayed. Posters highlighting key NSS events and initiatives were also created to visually represent the unit's impact.

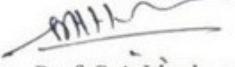

Efforts were made to ensure that the room reflected the core values of the NSS—selfless service, discipline, and social responsibility. The preparation process emphasized teamwork, attention to detail, and a shared goal

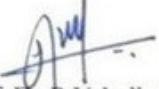

of presenting the college's social outreach in an organized and effective manner.

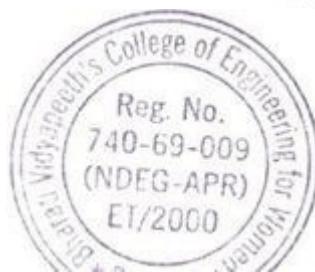

### **Learning Outcomes:**

The activity promoted teamwork, organizational skills, and attention to detail among volunteers. It also helped students understand the importance of documentation and presentation, especially in the context of institutional evaluation and quality assurance.

The workshop was conducted under the coordination of Prof. Dr. S. A. Itkarkar, NSS Coordinator, and featured talented artists and student facilitators from Bharati Vidyapeeth's College of Fine Arts, who guided participants through the process of crafting Ganesh idols using natural clay.

Students actively took part in the hands-on session, learning the traditional techniques of idol-making while also understanding the importance of choosing biodegradable materials over plaster of Paris or chemical-based paints. The interactive environment helped foster creativity and a deeper appreciation for nature-friendly celebrations.

The idols created during the workshop were taken by participants for personal or symbolic use, promoting the idea of responsible celebration within the community.

As part of the Annual Gathering 2024 celebrations, the NSS Unit of Bharati Vidyapeeth's College of Engineering for Women, Pune, took the initiative to organize a stage play based on the epic *Mahabharat*. The act aimed to portray key moral and cultural values rooted in Indian tradition, while also showcasing the talents and creativity of the student volunteers.

The preparation for the play began well in advance, with a team of enthusiastic NSS volunteers dedicating time beyond academic hours for scripting, rehearsals, and costume arrangements. The play focused on pivotal moments from the epic, including the *game of dice*, *Draupadi's vastra haran*, and the *Kurukshestra war*, highlighting themes such as **dharma, justice, and sacrifice**.

Costumes, stage design, and background music were all managed by the students themselves, reflecting strong teamwork and organizational skills. Faculty coordinators and NSS Programme Officers provided guidance and support throughout the process.

The performance received an overwhelming response from the audience and was appreciated for its powerful dialogues, authentic representation, and impactful narration. Through this initiative, the NSS unit not only contributed to the cultural richness of the annual gathering but also promoted traditional values and leadership among students.

### Brief Description of the Program:

On the occasion of ShivJayanti on 18th February 2025, the NSS department of Bharati Vidyapeeth's college of engineering for women, Pune organized a visit to Sinhgad Fort as a part of the Gad Sawardhan (Fort Conservation) initiative. This event was a tribute to Chhatrapati Shivaji Maharaj and his loyal disciples, highlighting their valor and dedication. Our journey began early in the morning as we departed from college at 8:00 AM. Upon reaching Sinhgad Fort at 10:00 AM, we immediately began our cleanliness drive, ensuring that the historical site remained well-maintained and respected. Through this initiative, we contributed to the preservation of our rich heritage and promoted environmental responsibility.

After completing our cleanliness activity, we explored the fort, gaining insights into its historical significance, strategic importance, and the legendary battles fought here. To honor the legacy of Shivaji Maharaj, we sang motivational songs and Powada (a traditional Marathi ballad style praising great warriors), fostering a spirit of patriotism and unity. The event concluded with Shiv pratidnya, a solemn pledge of dedication, discipline, and commitment to upholding the values of Chhatrapati Shivaji Maharaj. This moment was truly inspiring and left a lasting impact on all the volunteers.

After an enriching experience, we departed from the fort and reached college by 1:30 PM, where we had our lunch. This event was a perfect blend of social responsibility, historical awareness, and cultural reverence, making it a memorable and meaningful experience for all NSS volunteers.
