Report " Warkari Mitra "

Date: 8 July . 2018 Time: 8.30am to 7.30pm

Every year NSS unit and Student Development organization (SDO) organizes different activities. In this year the unit organized 'Varkari Mitra' activity under Swachh Bharat Summer Internship (SBSI) that is by central government. This activity held at four different schools at Bhavani Peth nearby swargat on 8th July 2018 with 120 volunteers. The schools to be visited were 'Anandibai Karve Kanya School', 'Sardar Kanhoji Angre School', 'Kai Keshavrao Jedhe School', 'Ratanben Chunilal Mehta Gujarati Highschool'. On 8th July around 80 volunteers along with program officer Prof. Savita.A. Itkarkar headed for activity at 8am in the morning and reached at 8:30 am. Varkari march on foot from various locations in Maharashtra to Vithoba Temple, Pandharpur. Varkari were stayed for two days in pune, afterwards they were going to Saswad. Our volunteers reached at Bhavani Peth in morning and divided into groups. Respective groups visited the respective schools. Volunteers discuss with varkari about their journey, where were they going next, which was there next destination. Volunteers spread the awareness about not using plastic. Instead of that use cloth bages. Volunteers also spread the awareness about cleanliness and told them to use toilets. The varkari's were very joyful. Volunteers enacting bhajans, bhajans, singing glories of Vithoba and songs like "Gyanba Tukaram", "Chandrabhagechya Tiri", "Mauli Mauli". Even though the varkari's were singing bhajan and praying god day and night they weren't tired. We could see the enthusiasm, lots of energy in their devotion towards god and focus towards their destination. Volunteers helped varkari's in free health checkup camp held at Bhavani Peth. Volunteers served the food to varkari's. Donation of 'Eco-Friendly Plates' were done by Prof. Savita.A. Itkarkar. After the Vari left from bhavanipeth, volunteers cleaned the area and schools. Overall everyone enjoyed a lot to helping the varkari's, experienced the beauty in their faith towards god, learn a lot of things from them like enthusiasm, energy. It was great and wonderful day of the year.

Report "Tree Plantation" 18th July . 2018

Time:9.00am to 3.30pm

Student Development Section and National Service Scheme of Bharati Vidyapeeth's College Of Engineering For Women, Pune had organized a tree plantation program on Sunday 18th July 2018 at Taljai Mountain , Pune with Do Save Foundation. 120 volunteers of our college along with teaching and non teaching staff and Do Save Foundation members and Pune municipal corporation members were present for the tree plantation. Program was inaugurated in presence of Prof. K.R. Chaudhary(SDO), NSS Program Officer Prof.. S.A.Itkarkar and Prof.Mugdha Rane was present with all NSS and SDO volunteers .The place for plantation was a hill in the village. All the volunteers were distributed in group of ten students.Mr.Aniket of Do Save Foundation told us the importance of trees in our life. After that everyone started working. Volunteers were very happy while doing the job of plantation as they knew the importance of trees. Nature was supporting their work with the rain. More than 150 trees were planted on that day. All the volunteers then had a lunch. A plantation program on that day was memorable to all the volunteers, teaching and nonteaching staff as it left the special message about importance of tree, and tree plantation and everyone had pledged to plant a tree every year and look after them.

Report "Sadbhawana Day Celebration"

20th Aug. 2018

Time:10.00am to 10.30am

Sadbhavana diwas is celebrated on 20 August, the birth anniversary of Rajiv Gandhi, which is celebrated as Sadbhavna Diwas (Harmony Day). In this regard, there were two activities carried out at the college level by involving students, faculty and non-teaching staff. A pledge taking ceremony was conducted on 20th August 2018 at 10.00 am. Principal sir oriented the students and staffs regarding the importance of observing Sadbhavana Diwas by highlighting, it is to avoid violence and to promote good will among people. Thereafter, the pledge was led by her to students and faculty.

Date:11th Oct. 2018 Time:10.00am to 4.30pm

DENTAL CHECKUP AND HEALTH AWARENESS CAMP

LOCATION: BHARATI VIDYAPEETH COLLEGE OF ENGINEERING FOR WOMEN PUNE

Organised by : Shanti and Diksha (interns)

The Department of Public Health Dentistry organized and conducted a free dental check up and health awareness camp at Bharati Vidyapeeth college of Engineering for women on 11/10/2018. A total of 129 students, staff (teaching and non-teaching) were examined. With the joint efforts of principal Prof. (Dr.) S. R. Patil and head of students development Prof. Kalyani, we were successfully able to accomplish the task of examining the oral health status of 129 students and staff members in the college premises under the supervision of Prof. Judy Koshy. The interns subsequently headed to various classes to give oral health lectures on issues generally faced by college going students. Demonstration of correct brushing technique was then done to complete the dental awareness camp.

Report "Basic C and Data Structure Algorithm Workshop "

Venue: BVCOEW, Pune

5,6 and 7 Feb.2019

Student Development Section of Bharati Vidyapeeth's College Of Engineering For Women, Pune had organized workshop on Basic C and Data Structure Algorithm on 5 to 7 Feb 2019. SDO Prof.K.R.Chaudhari ,Prof.Kasar M.S.,Principal Dr.S.R.Patil and students were present for the same. A three day workshop was conducted for the students of SE E&TC from 5th February-7th February by Mr Sandeep Kulange (SUNBEAM PUNE) . The seminar was co-ordinated by Prof. K .R. Chaudhari. The topic of the Workshop was "Basic C and Data Structure" .We learnt various minute details about C language and this helped us in clearing our basic concepts of C language. Mr Sandeep Kulange,Mr. Nitin Kudale also guided us about the questions which are commonly asked in interview session. This was a very beneficial workshop and we gained a lot of information . Workshop began with sir giving Overview of 'C' Language (which includes C Statements, C-operators, Decision making with if statement & Control flow in C.) & Data Structure (which includes Structure, Union, Operators & Expressions in 'C', Loops & Statements in 'C'). Sir explained each & very concept by giving suitable example. sir further proceeded with Overview of Arrays, Searching & Sorting Methods, ADT & Recursion, Functions & Pointers; by giving suitable examples. At the end of session, sir cleared all the queries which students had about 'C' language and DS. Overall the session was very informative and interactive , it was quite focussed workshop without much beating about bush and thoroughly gave students an idea about 'C' language and DS.

Report "Disaster Management Workshop "

Venue: BVCOEW, Pune

13 and 14 Feb.2019

Student Development Section of Bharati Vidyapeeth's College Of Engineering For Women, Pune had organized workshop on Disaster Management on 13 and 14 Feb 2019. SDO Prof.K.R.Chaudhari ,NSS PO,and Principal Dr.S.R.Patil and students were present for the same. Workshop was conducted by NDRF,Pune.

Environmental issues and related disasters are the subjects which must not be ignored by every human being living on this earth. It is always said that prevention is better than cure, yes it is true because it helps to minimise loss occurring because of any fault. Attention towards the environmental issues like global warming, pollution, garbage disposal, ozone layer depletion is increasing day by day. Attention on these issues and preventive measures are must now. So in our college we all had an academic program on environment issues and DM. There was a team of disaster management who taught us about disasters and what should be done immediately. Basically they started from floods and measures to be taken during and after flood. This was done by teaching us practically and also theoretically. 1 st they showed different pictures and information regarding it, and then it was explained how to save life. Some photos were shown regarding it and some measures were done practically, how to handle humans when they are injured whom to call for ambulance, use of first AID kit and what should be done for blood clotting. After that they spoke about earthquake , for that they gave some good information that is where to stand if you are inside a room and its hardly impossible to run outdoors, where they taught us the method of heart pumping by hand and when to apply this process and how to check whether the person is alive or dead, whether he needs heart pumping or not..... all were taught or rather were practically shown. They even showed us some photos of many hazardous disasters like major earthquakes, floods , landslides and many other including some manmade disasters

which occurred in India. Again during all this process they told about wearing masks or protecting us during disaster of hazardous gases leakage. Last but not the least there was fire management program. Here they actually showed different roping methods that how to climb, how to check, and how to save the life during fire. They showed us different methods of climbing up and down with the help of ropes which is mostly used in buildings where fire takes place. This was the topic which was only practically covered by actually showing. Some practicals were allowed for students to have practice regarding fire extinguisher. There it was where we came to know that it is very important that everyone must take care of ourselves and others surrounding us. This will help DM team a lot and many lives can be saved.

Venue: BVCOEW, Pune

18 Feb.2019

Student Development Section of Bharati Vidyapeeth's College Of Engineering For Women, Pune had organized workshop on Nirbhaya Kanya on 18 Feb 2019. SDO Prof.K.R.Chaudhari ,Prof.Kasar M.S.,Principal Dr.S.R.Patil and students were present for the same FSAI Self-Defense Workshop Program Name: Program started as the guest arrived at 10:30am. Ms. Veena Gupta. The Principal of Bharati Vidyapeeth College of Engineering for Women, Pune Dr. Prof. S. R Patil , welcomed the guest Ms. Veena Gupta as she graced the occasion with her valuable words and demonstrations to protect oneself. The students of SE IT Rishika Sharma gave a brief introduction and process about the program and Anushika Pandita gave the introduction about the guest of honor Ms. Veena Gupta. The program was followed by enlightening the students with the purpose and importance of self-defense and also by hands on session on ways to protect oneself. The guest also emphasized on importance of awareness about our every day life and focused on developing confidence. Orientation and discussion were held on safety precautions at road, home, school, colleges, public places, internet and also while using mobile phones. The topic of prevention of child abuse was also discussed so that the students could guide their siblings and younger ones around them. The training was imparted for an hour and various techniques of self defense were taught to students and they were also trained in other exercises required to develop their physical and mental agility. Almost 100 -120 students participated with full vigor and zeal and took advantage of this training. The program marked its conclusion on 18th Feb, 2019. In the valedictory session students gave their feedback as students found it fruitful in their career. The program was concluded by few valuable words by the program coordinator. As it was an innovative step taken towards the safety and security of women employees and students of BVCOEW. At the end of the concluding session Harshada Panhalkar (SE IT) proposed vote of thanks.

Report "Entrepreneurship Development Workshop "

Venue: BVCOEW, Pune

26 and 27 Feb.2019

Student Development Section of Bharati Vidyapeeth's College Of Engineering For Women, Pune had organized workshop on Entrepreneurship Development on 26 and 27 Feb 2019. SDO Prof.K.R.Chaudhari ,Prof.Kasar M.S.,Principal Dr.S.R.Patil and students were present for the same. Miss.Kalyani Ahir and Mr.Rao was the recourse person for the same. They give information as Entrepreneurship is a process of identifying and starting a business venture, sourcing and organizing therequired resources and taking both the risks and rewards associated with the venture. Entrepreneurship is a key factor for economic development. There is an increased rate of students across developed and developing countries considering the issue of self-employment. Whether you start your own company or choose to ascend the corporate ladder, maintaining the spirit of entrepreneurship all along the way is essential. This goes far beyond just making money. It is about creating value and ideas, about possessing internationally convertible leadership skills and about cultural diversity. The objective of this session was to motivate students towards entrepreneurship as it can create employment for the future generations. Miss. Kalyani Ahir, Manager Innovo-Accel Pvt.Ltd.Pune addressed the students about the concept of entrepreneurship. The lecture was organized to raise basic awareness of entrepreneurial concepts and to enable students to identify and learn how to make a mindset to take up entrepreneurship as a career. The facilitator introduced the concept of entrepreneurship by focusing on myths related to it and the different aspects of entrepreneurship such as entrepreneurs are born not made, entrepreneur fit an ideal profile, all you need is money to be an entrepreneur, all you need is luck to be an entrepreneur and another is that great idea is the only ingredient in a recipe for business. He mentioned that the reason that people do not start their new ventures in a country like India is due to non-awareness amongst the population of India and decides to go for jobs in private or government sector so as to minimize the risk. Sir explained in detail about the various attributes of successful entrepreneurs such as drive, communication skills and technical skills. The concept was further infused with a power point presentation that spoke about the startup business in India. The session was an interactive one where the students were very participative and engaged in questions with the dignitary.
