Policy Document

Following is a list of policies set by college for Teaching – Learning and Evaluation

1. The learning levels of the students are assessed after the first Unit Test.
2. Students scoring more than 80% are considered as advanced learners and are provided special guidance to excel in academics.
3. Students scoring less than 40% are considered as slow learners and special efforts are taken for improving their overall performance.
4. The institute implements the following for advanced learners:
 - a. Provide opportunities for certification courses and value added programs.
 - b. Motivate participation in coding competitions, project competition, paper publication, poster presentation and competitive exams.
 - c. Encourage industry sponsored projects, internship, implementation of mini projects.
 - d. Felicitate class-wise top performers and provided them with additional books from the central library.
5. Efforts taken for special learning needs of slow learners:
 - a. Student counselor is assigned to understand their difficulties and provide possible solutions.
 - b. Course teacher interacts on a one-to-one basis and conducts remedial lectures/practical sessions.
 - c. Additional set of assignments/tutorials are provided for practice.
 - d. Guidance for following a specific pattern for attempting the examination.
