Guest Lecture On

24. ERICSON EXCEL TRAINING

By:- Mr. Larc Ericson

ERICSSON EXCEL TRAINING

Guest Introduction

The seminar about the Ericsson Excel Training was co-ordinated by Miss. Gishmeet Bindra. She is Human Resource Manager at Ericsson Excel Training.

Summary

The seminar was basically distributed in two parts, namely, the history, mission and vision of Ericsson and their university empower program RINA.

The history of Ericsson started with founder's name. Mr. Larc Ericsson and then it stated the increase in use of mobile communications and whole shift towards 2nd and then 3rd generation. The work that Ericsson do, which involves communication network, providing the services to network distributors, enabling the multimedia communication and service providing. It also provides equipment and infrastructures to network providers. The company's only joint venture currently is ST-Ericsson. The vision is to be 'the prime driver in an all communicating world'. They aim at having a 50 billion connected devices. They have headquarters at Gurgaon and have 35 offices in 26 locations in India.

The next part of the seminar was about the Ericsson University Empowering Program, RINA. It started with 12 universities with a purpose to train students in 2009. The aim behind the program was to start training the engineers during graduation itself to brace them to some extent for the actual industry work skills. This is done through practical knowledge imparting. The three points of empowering were: CONNECT, which is the internship part of training; EXCEL, which is the training of students and lastly, CARREER, which is placing or hiring the eligible students. There are total five phases. First is centra session which is total online learning; next is interaction lecture session where experts come personally to train students; next phase was site visit for a day; next is a sixty minute exam session and lastly the certification phase which is to give credit to students scoring well.

This seminar was first step towards the training that Ericsson is offering to top eighty students of the college (as per CGPA). It was a good introduction to the training program and the training is a huge benefit for students through the globally recognized training program and certification. It ended leaving students pretty enthusiastic about the training.

Mr. PRAMOD

Respected Sir,

We are very thankful to you for the successful conduction of seminar on "Ethical Hacking" on 15th September 2012 for the students of third year IT department. Our students have really benefited from this lecture.

We hope same cooperation in future also.

Thanking you.
Yours Sincerely,

H.O.D (I.T)

Subject :- Invitation as a guest for "3 Days Workshop on Ethical Hacking and Forensics"

Respected Sir,

As a part of extra-curricular activity and guiding, I invite you to conduct the 3 days workshop on "Ethical Hacking and Forensics". Your knowledge will be helpful for our students in their future. So, we request you to share your knowledge and experience on the same topic with us.

The proposed date and time is given below. Kindly convey your availability on the same days.

Thanking you,

Yours Sincerely,

Prof. D.D.Pukale

H.O.D(Comp.Engg.)

Date : 25th, 26th and 28th /07/14

Venue : 207 and 406 class room

DEPARTMENT OF COMPUTER ENGINEERING

To,

Date :30th Dec 2014

Mr. Mayur Tendulkar,
Computer Society of India,
Pune.

Subject : Invitation for inauguration of "CSI Student Branch"

Respected Sir,

The Department of Computer Engineering has organized CSI student branch inauguration on 30th Dec 2014.

We are hereby inviting you for inauguration of student branch at 2:30 pm on 30th December in the Computer Engg. department . Your knowledge will be helpful for our students in their future. So, we request you to share your knowledge and experience on the same topic with us.

The proposed date and time is given below. Kindly convey your availability on the same days.

Thanking you,

Yours Sincerely,

Prof. D.D.Pukale

Date :30th Dec 2014

Bharati VidyaPeeth's College of Engineering for Women,Pune-43
Computer Engineering Department
Proposal for Core Java Workshop

To,
The Principal,
BVCOEW,
Pune-46.

Subject:- Expert lectures on core Java in computer Engineering department for SE class.

Respected Sir,

Our department wants to organize expert lecture series of 2 hrs duration for 3 days on core Java programming. Following topic will be covered in lecture series.

Session Number	Topic
1	Java fundamentals (JVM)
2	Java classes, object & data types
3	Interfaces & Package
4	Exception Handling
5	Multithreading
6	Frames & AWT

Name of Expert: Mr. Sachin Patil, CMC Computers.
Remuneration for above will be Rs.5000/- including all expenses.

Kindly sanction Rs. 5000/- for expert lectures series.

Thanking You ,

Yours faithfully,

Prof.D.D.Pukale.

Subject :- Invitation as a guest for Workshop on "Advanced Java and Core Java"

Respected Sir,

As a part of extra-curricular activity and guiding, I invite you to conduct the Workshop on "Advanced Java and Core Java". Your knowledge will be helpful for our students in their future. So, we request you to share your knowledge and experience on the same topic with us.

The proposed date and time is given below. Kindly convey your availability on the same days.

Thanking you,

Yours Sincerely,

Prof. D.D.Pukale

H.O.D.(Comp.Engg.)

Date : 14th Sep 15 to 16th Sep 15
18th, 21st and 22nd Sep 2015.
