**Webinar on power up your resume with IBM
skillsbuild certificates**

Brief Report of Activity

Webinar on "**Webinar on power up your resume with IBM skillsbuild certificates**" was organized in Bharati Vidyapeeth College of Engineering for women for Third Year Computer Engineering by Computer Engineering Student Association on 5th October 2020. The Webinar was conducted by Mr.Harshad Bhagwat, keynote speaker (Wordsmaya).

The Session Started at 5:00 pm in the evening with an introduction from Mr.Harshad. Then he broke the ice asking students question about " How to build powerful resume?" making session interactive . Many students came up with the good answer like adding LOR ,certificates and awards . In addition Mr.Harshad told us about certification courses of Wordmaya which will help us building powerful resume and to stand out of crowd .

He mentioned many certifications of Wordsmaya, some of them were Building skills, how to speak English fluently,winning group discussion. He also mentioned technical course like Artificial intelligence,machine learning and many more courses.He explained us

the importance of these certifications and how they are useful for us in future .

Towards end of session he resolved our doubts and gave us perfect solutions for the same .The whole session was very interactive. The webinar was really great and helpful as, we are students of 3rd year, we need to make our resume soon. Also we got to know some crucial tips on how to design our powerful resume.

Report of Webinar on "Power up your resume with IBM certificates"

5th October 2020

The Webinar on “Power up your resume” was held for BVOEW students by speaker Mr. Harshad Bhagwat. He started with an introduction to WordsMaya and benefits, students will get in touch with it.

Students were given huge idea about how they should power up their resume. Students were motivated to build up their resume with step by step procedure as it is not the one page document, and they should update resume with every achievements students are honored with. In the end sir told us about the benefits and coupon codes we get with WordsMaya. It is really an innovative skill of learning process for the students.

Webinar on "How to Get your Resume Noticed"

Brief Report of Activity

Webinar on "How to Get your Resume Noticed" was organized in Bharati Vidyapeeth College of Engineering for women for Third Year Computer Engineering by Computer Engineering Student Association on 9th October 2020. The Webinar was conducted by Miss Mayuri Dhavale, Pune, Maharashtra.

The webinar started at 6 in the evening with the greeting from Mayuri ma'am. The first thing she asked us is "Do you all know what is resume?". Then some students answered but their answers did not satisfied ma'am. So, she first told us what resume is and what it includes. She made us understood the importance of well designed resume and how it helps us in our professional career. She showed us some sample resumes and told us to spot out differences in them. We all told ma'am the differences and students were correct.

She then told us some crucial tips on how to make your resume like never lie on your resume as it only takes a few minutes for employers to do a couple background checks. In this digital age, information is more accessible compared to five years ago. She also told us that when employers hire you, they do so on the basis that your resumé is an honest representation of everything you have done in the past and the skills you have acquired. If you don't have those skills, you're not right for the role and you won't be helping the company achieve its goals and also we won't be happy personally.

The main tip was that the resume need not to be lengthy, only one page will also suffice as long as all the relevant information is there on it. The format should be clean and the font should be basic not fancy. Adding a skill section will be beneficial to show that you're a good fit for the job.

The last tip was not to send the same generic resume in for every job. Take the time to customize it by including the qualifications and skills the company is looking for so the employer knows you have the right stuff.

The webinar was really great and helpful as, we are students of 3rd year, we need to make our resume soon. Also we got to know some crucial tips on how to design our resume.

Webinar on "Profile building and career opportunities"

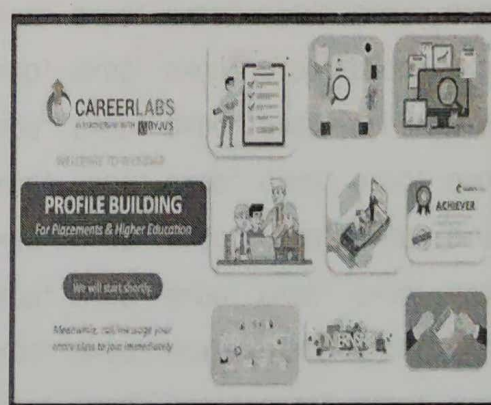

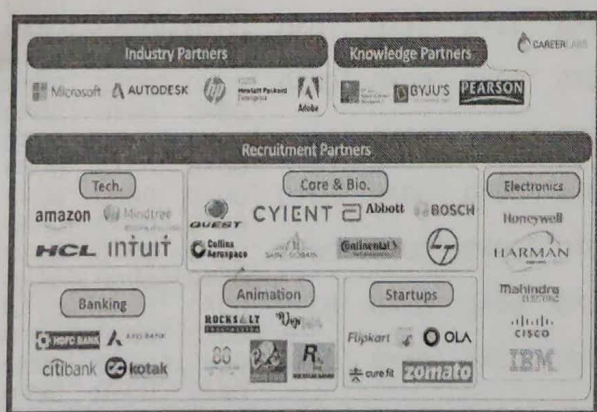

20 January 2021

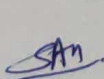

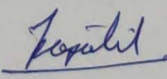

A webinar on topic "Profile building and career opportunities " by the speaker Mr. Abhishek Gupta, (Career Expert & founding Member at career Labs (BYJUS)) was held for the students of TE-IT on 20 January 2021.

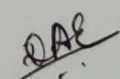

Webinar started with the welcome speech and introduction of the honorable speaker.

Mr. Abhishek Gupta begins with the options students have after graduation and then broke all the myths regarding the career opportunities. He quickly picks in the poles for the students for various questions and make a webinar quite interesting. He detailed the students the best options they have further and gave the best examples he has in his experienced life. He mentioned the list of different exams for placements, jobs and higher education with all the criteria.

Students found this webinar worth excellent and interesting, as they got to know many unique and capable opportunities knocking their door's right after graduation.

Our college has recently got the AICTE: Scheme for promoting interests, creativity, and ethics among the Students i.e., SPICES grant under the coordination of Prof. Dr. S.R. Patil sir, Principal, Bharati Vidyapeeths College of engineering for women, Pune and Dr. V.R. Pawar mam, Associate Professor, Electronics and telecommunication Department who has given the information about SPICES grant.

Anchoring of the program was done by Prof. P.R. Yawle E&TC Department. Webinar started with the welcome speech by Prof. Pranoti Kale, Training and Placement officer, BVCOEW, Pune. The speaker's introduction was given by Ms. Shruti Singh of SE E&TC Student.

Prof. Dheeraj Ghanshyamdas Agrawal, resource person of the webinar, The speaker spoke about importance of resume writing. He then showed some Resume hidden messages for our better understanding, then he explained the format of resume writing along with giving a brief introduction of each and every point that are mentioned in the resume such as the header, projects, education qualification, strength and extra-curricular activities. Action plan useful for placement preparation. At the end Questions were asked from students and Prof. Sandip Magdum sir answered them. Finally vote of thanks was given by Himani Bire, Student SE ENTIC.

Report of webinar on "**SPOKEN ENGLISH**"

25TH November 2021

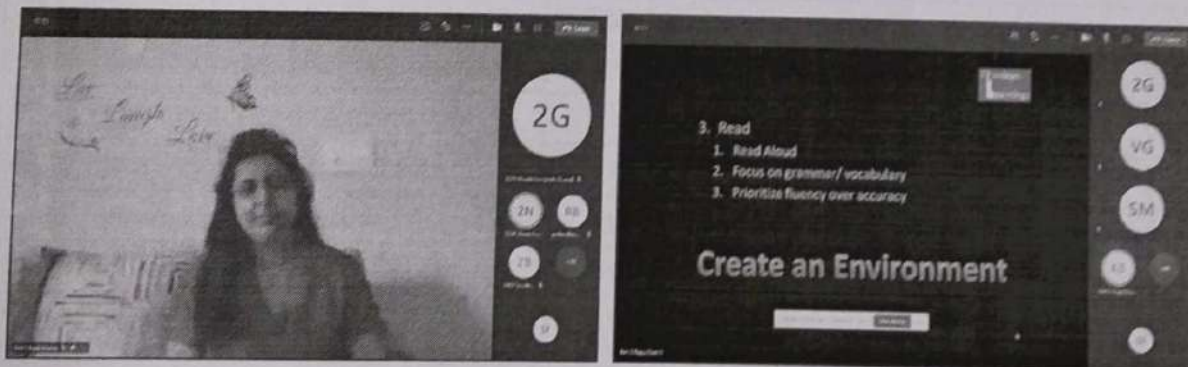

A webinar on the topic "**SPOKEN ENGLISH**" by Ms. Kirti S. Bajaj, was held for the students of SE-IT on 25TH November 2021.

Webinar started with the welcome speech and introduction of the speaker. Then Ms. Kirti S. Bajaj addressed the students by telling about the importance of spoken English. She very nicely explained the role of it.

Furthermore, Ms. Kirti S. Bajaj helped students to get how they can work on their English. She also told about how to gain confidence while speaking. Besides, she also told about their success story and what problems they faced which was very motivational.

Webinar was very informative and students learnt a lot. At the end of the webinar Shailaja proposed a vote of thanks and the session ended on a happy note.

Webinar on: - "SPEAK ENGLISH CONFIDENTLY"

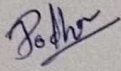

Brief Report on Activity

Webinar on "Speak English Confidently" was organized in Bharati Vidyapeeth's College of Engineering for Women for Second Year and Third Year Computer Engineering and Information Technology students by Computer Engineering Student Association (CESA) on 25/11/2021. This seminar was conducted by Miss. Kirti S Bajaj who is presently a Soft Skills Trainer and a Spoken English Coach in Flamingo Learnings. The webinar was conducted successfully in the valuable presence of H.O.D Prof. D.D. Pukale and CESA coordinator Prof. J.D. Jadhav.

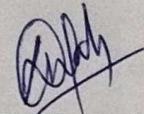

The webinar started with the welcome speech and introduction of the resource person by Student Miss. Purva Nagrale. Miss. Kirti then started her presentation on Speak English Confidently. She started with explaining students the importance of soft skills in the IT industry, and explained how the command on English is Important for communication. She also explained that students should pay attention on their basic grammar and Vocabulary as these are required for upskilling the command on English speaking. She also conducted one activity named **"GUESS WHO?"** in which she made one volunteer from all students as a host and she asked the student to think of a name of the person in the mind and asked other students to guess the name thought by the volunteer student only by asking questions and using interrogative words 20 questions limit was provided to all students and 3 chances to guess the name of the person. Miss. Shital Jadhav became the volunteer and remaining students guessed the personality. Through this activity she intended to develop the sentence building and question making capacity among the students. Also, she guided and explained how to say Thankyou and make request in different ways, how to speak politely and how to manage our vocal toning while speaking. The webinar ended with

a vote of thanks by our CESA coordinator Prof. J.D. Jadhav and our Student Miss. Rajlaxmi Manepatil.

The webinar was really beneficial as we came to know about the importance of Speaking English Confidently. The webinar helped us in confidence building. It also explained the importance of fluency, pronunciation, basic rules, common mistakes which students make while speaking. The Webinar was interesting, informative and interactive.

Dear Jayashree Jadhav,

As communicated with Mrs. Kanchan Patil, we can have following options for engineering students:

Second / Third Year Students:**Option 1: Spoken English**

Since childhood we have been taught to write in English correctly. Correct use of Grammar, sentence formation etc.

Who taught us how to use it while speaking?

Hence in this 5 weeks course the children would get to learn & practice how to speak in English.

The course would contain topics like:

1. Grammar
2. Phrases
3. Self Introduction
4. Conversation Practice.

This course can be done online.

Option 2: Personality Development

As soon as we hear this term, we wrongly relate it to the outer appearance of a person. Very rarely do we understand that a permanent grooming of a personality could only happen if one can work on the inner beauty of his/her personality.

This course would help the students to

1. Boost their confidence
2. Attain higher self-esteem
3. Positive attitude
4. Learn to face challenges/ overcome failure
5. Fall in Love with self

This course can be a blend of online & offline classes.

Third/ Fourth Year Students:

Subject: Successfully completed Audit Course-VII for BE IT students.

Respected Sir,

As per the revised syllabus of BE IT (2019), it is mentioned to conduct an audit course (non-credit course) for BE IT students. Our department has chosen to offer "414449C: English for Research Paper Writing" as an audit course. The speaker **Dr. Aarti Amod Agarkar**, Associate Professor, MMCOE, Pune has successfully completed the audit course. The budget of Audit Course-III is Rs. 24,000/- which is already sanctioned. So, please inform the account section to prepare the cheque for the same.

This is for your kind approval & necessary action.

The date and time of audit course-VII is given below.

Thanking you,

Yours Sincerely,

Audit Course- Foreign Language (German Language module II)

The Foreign Audit Course was organized for Second-year students of the Computer Engineering Department. As per the curriculum, the students from SE Computer selected German language for the second audit course of the year.

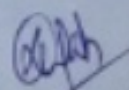

Dr. Shital Pawar has organized the 30-hour course by inviting a German Language Faculty for the same. Every day one-hour German session was conducted wherein the students were taught about the basics of the language. Ms. Renuka Pathak engaged the students by conducting one-to-one sessions, and fun activities for better and fast understanding of the language.

The students were divided into four teams and healthy competition was conducted among them for implementing the knowledge learned so far.

By the end of the semester, the students were able to understand and speak the language at the introductory level. With the guidance of Ms. Renuka Pathak and the support of faculty Prof. Dr. Shital Pawar and HOD Prof. D. D. Pukale the course was completed with optimal outcome. All 77 students of SE Computer have completed this audit course.
