Memorandum of Understanding

Between

Bharati Vidyapeeth's College of Engineering for Women, Pune (BVCOEW)

&

Association of Adolescent and Child Care in India, Mumbai (AACCI)

This Memorandum of Understanding (MoU) sets for the terms and understanding between the BVCOEW and the AACCI to carry out various activities for 'Holistic Well Being of Teachers and Students'.

Bharati Vidyapeeth's College of Engineering for Women (BVCOEW) has a mission of 'Women Empowerment through technical education'. Women empowerment is possible through holistic development of students.

It has been observed that students of BVCOEW are coming from different socio-economic background. These students have to cope up with different challenges like peer pressure, emotions, resolving conflicts, life style choices as well as academic competition. Recognizing the need to address these issues BVCOEW and AACCI has joined hands to provide life skill education and Holistic wellbeing.

Duration : Commencement will be in this academic year from December 2017. First two years will concentrate on awareness education and training programs. Next two years for follow up and seeing impact of the intervention.

The following activities have been envisaged.

A Master trainer program (TOT)

The WHO Life skill training program is extremely useful for mental wellbeing of teens 13-17 yrs old. AACCI has developed LSE modules which can be used for Young adults (college students), teachers and parents.

Master trainer program for becoming a Life skill educator will be held

- 1) Program for teachers
- 2) Program for training Peer educators from student leaders.

With the team of Master trainers and Peer educators from the college, a series of workshops will be held for the rest of the students of the college. One faculty from AACCI will supervise each workshop in the initial stages and then later the college staff and peer educators will take over the workshops as we have to cover total 1000 students in the college. There are 10 life skills in the WHO program which need to be taught so the time lines will be planned accordingly.

The college will provide the following

- 1) Seminar Hall / Auditorium and audiovisual facilities and food for the AACCI faculty.
- 2) Honorarium will be provided to the AACCI faculty, as per the provisions of the college.

B Pre-program Survey

- 1) Establish Youth kattas (group of 15- 20 students -Focused Group Discussions - FGD) and youth forum (50 -100 students) to assess the needs and problems faced by the students.
- 2) Such forums can also be conducted for teachers and parents.
- 3) To assess Physical, mental and emotional wellbeing of students.
- 4) Analysis of the Life style of students.

The filled forms will be retained by the college. The filled excel sheet survey data will be given to AACCI for further analysis.

AACCI will share the results of these surveys with the college and plan interventional programs to deal with the various issues e.g. dealing with exam anxiety, improving self-control and motivation etc.

We should also repeat the questionnaires after our intervention programs to see the impact.

After the collection of data, it will be analyzed as a research project. Impact evaluation will be done by repeating the questionnaires after intervention. This will be presented at various conferences and also published. (With the college name wherever permitted or only as a college from Pune) The authors will be members of AACCI and BVCOEW staff members who will be contributing on collection of data, analysis and writing.

C Setting a counseling center at the college

AACCI faculty can come on a regular basis. The timings, frequency and professional fees can be mutually decided.

D Monthly sessions on emotional well being

Conducted by one AACCI Faculty at the college for emotional well being. This can be done for parents and students. The timings, frequency can be mutually decided.

The implementation of this MOU will be done by the Pune wing of AACCI.

This screenshot shows the Microsoft Outlook desktop application. On the left is a navigation pane with 'Favorites' and 'Folders'. The 'Inbox' folder is selected, showing a list of results. The main pane displays an email from Sunil Ghule (ssghule@bvucoep.edu.in) with the subject 'BOS meeting notice'. The email content includes a list of recipients, an attached 'Notice.docx' file (35 KB), and a message from Dr. S. S. Ghule, Assistant Professor at BV(DU)COE, Pune. The Windows taskbar at the bottom shows the system tray with the date 14-03-2022 and time 12:30.

This screenshot shows the Outlook mobile application interface. The left sidebar contains navigation options: 'Compose', 'Inbox' (823), 'Starred', 'Snoozed', 'Important', 'Sent', 'Meet', 'New meeting', 'Join a meeting', 'Hangouts', and a list of contacts including 'Smita' and 'Aman Arithata'. The main screen displays an email from Sunil Ghule (ssghule@bvucoep.edu.in) with the subject 'BOS Meeting and syllabus'. The email body contains a message to several recipients, a request to find attachments for a notice and syllabus, and a disclaimer link. Below the text, there are two attachments: 'ENGG. SCIENCE B...' and 'Notice.docx'.

Dear Madam,

On behalf of Computer Engineering department of PVPIT, Bavdhan, Pune, I would like to thank you for taking part in guest lecture. Your presentation on "Algorithmic state machines and Programmable Logic Devices" was very well received by our students. It has been a pleasure working with you and we look forward to working with you in future educational endeavors.

It was an honor for the computer engineering department to be able to hear your ideas.

Sincerely,

Prof. Dr. B. K. Sarkar

Dear Committee Members,

Greetings from Lili Poonawalla Foundation.

I would like to take this opportunity to thank you for your consent to work as a committee member for the evaluation and selection of candidates for LPF UG – Engineering (after 12th – 4 year course) scholarship.

There are total 274 applications forms have been selected for evaluation. However considering number of applications we have formed 2 committees (5 committee members on each committee) and divided 274 (Nos.) applications in 2 committee i.e. first 137 Nos. in 1 group and 138 to 274 in 2nd group.

I am pleased to inform you that these 274 (UG – Engineering) forms available on LPF scholarship portal www.lpf scholarship.com. However you need to evaluate only the application numbers i.e. 137(Nos.) as per the attached list. Other committee members marks are viewable there, however you shouldn't edit it.

You have evaluate them online and give score of Part B on the same link.

You will be the part for committee 2 and you have to check form no which are listed in attached list

For which kindly use below login details:

Portal : Kindly click on the link www.lpf scholarship.com

User Name : nrachi_sonai@lilipoonawallaFOUNDATION.com

Password : morning (please don't change)

Kindly note, once you logged in follow the below steps:

1. Select the option 'Enter Statement of Purpose Marks'
2. Select the category: D (Engineering Under graduate)
3. Select the district: Pune
4. Find the specific candidate with Form number or name of the candidate (as per the list attached with this mail)
- OR 5. You will get list of all the applicants once you will complete the steps 1 to 3
6. Once you will complete the checking the Part B of all the candidates you need to enter total of marks (out of 15) in the space given extreme right on the screen.

More Detail regarding Application Form & Evaluation Process:

Kindly go through the attached application form; this form includes detailed information about candidate, her academics and family which will give you brief about her family and education background, course, College where she is joining and her requirement etc. You can prepare your notes from it which will help you at the interview time.

As a part of evaluation process, you have to assess the 'Part B' of application form submitted by candidates along with main application form. Part B contents 5 questions and each question carries 3 marks, so total 15 points. We evaluate the way the girl has given replies about herself, extra-curricular activities, her goals, efforts she is taking to achieve her goal and clarity of what she wants to do after completing this course (for which she has applied). It is each individual committee member's assessment for each candidate which is averaged out in the system.

Kindly complete entry of marks for all candidates latest by 9th Feb 2021. (Morning)

I hope it will clarify you the process. Kindly let Aamita know if you need any further information on aamita@lilipoonawallaFOUNDATION.com / M - 8856802873

Please note the dates of interviews for Engineering category scheduled on **Wednesday 10th Feb to Saturday 13th Feb 2021.**

The venue for these interviews will be Hotel Taj Blue Diamond, Koregaon Road, and Pune. The detailed schedule will be send to you two days in advance.
