Report of Seminar on "Importance of GATE and Introduction to Parser"

The Department of Information Technology organized a seminar on "Compiler" by Ms Vaishnavi Bhutada, TE IT Student on 8th February, 2019, Friday from 9 am to 11 am., in 205 Classroom for TE IT students.

Program started with the welcome speech by student Ms. Anubha Roy. Then HOD Prof. Dr. D.A.Godse felicitated speaker and addressed the audience.

Firstly, Ms Vaishnavi briefed about what is GATE and the importance of it. She told students the marks carrying different subjects and the paper pattern for it. Then she started with the topic of parser in which she told the different categories of parser, steps for construction of predictive parsing table and then various rules associated with that. The session concluded with creating parsing table.

Session was very interactive. The students have got satisfactory answers for their questions.

The conduction of this ACM event was a grand success.

Report of seminar on "Higher Studies"

A seminar on "Higher Studies" was organized on 23rd Jan 2019 by Mr. Chiranjit Mallik from Chopra's Academy. The session was started by an introduction from HOD, Prof. Dr. S. R. Patil about the topic. He told about fields to pursue after under graduate course and its effectiveness in today's market.

The session started by letting the students know about the fields after engineering. He told about the Department of Higher Education MHRD which is responsible for the overall development of the basic infrastructure of Higher education sector, both in terms of policy and planning. Under a planned process, the Department looks after expansion of access and qualitative improvement in the Higher Education, through world class universities, Colleges and other institutions. The department is divided into eight bureaus, and most the work of the department is handled through over 100 autonomous organisations under these bureaus. **Department of Higher Education** is the department under Ministry of Human Resource Development, that oversees higher education in India. He also encouraged the students to take their future plans seriously and motivated them to achieve their goals.

At the end HOD, Prof. Dr. S. R. Patil concluded by a speech and a vote of thanks was given to the speaker.

Report of seminar on "Engineering Competitive Exams and Opportunities"

31st August 2018, Friday

A seminar on topic "Engineering Competitive Exams and Opportunities" by Prof. Buge Pravin Vishwanath, The Unique Academy. This seminar was held for BE IT and TE IT students on 31st August 2018, Friday from 11:00 am to 1:00 pm in the classroom 205. The seminar was conducted successfully in the valuable presence of H.O.D. I.T. Prof. Dr. D.A. Godse.

The program started with the welcome speech by Miss. Shweta Rajoria and introduction of speaker by Miss. Ritika Tiwari. Prof. Dr. D.A. Godse felicitated speaker and addressed the audience. A short presentation about ITechS'A was delivered by Miss Sakshi Singh.

Prof. Buge started his speech with the list of different Engineering Competitive Exams and opportunities available after completing the Engineering Degree. He told us how to attempt and crack exams like UPSC, MPSC (Civil Services), Defense Services, PO, etc. He briefed us about the paper pattern & marking schemes of various competitive exams. Moreover, he made us aware about the possible career options.

The conduction of this event of ITechS'A was a grand success.

Mock Interview Evaluation Report
Panel Number 01

Observations :

1. Many students did not prepare resume in proper format
2. Knowledge of TCS company was less.
3. Some students were very weak in English Communication.
4. Student were weak in technical Domain [C, C++, Data Structure]

Recommendation :

1. Students require more hands on training sessions for coding.
2. Seminars must be arranged on different domain so that it will be easy for students to select project topic.
3. Students require FACE like training from first year.
4. Students want mini project instead of assignment.
5. Students expect more opportunities for Internship and placement.
6. Result of mock interview of all students should be analyzed , displayed on notice board and appropriate action should be initiated.
7. Attendance sheet for mock interview should be provided in printed format.
8. Observations and recommendations given should be discussed with Principal, respective HOD and T&P Coordinators.

Promising Students as per Panel members :

1. **Shivangi Singh** (She can work as a role model for students of all departments in using online resources for self learning)
2. Siddhi Deshpande
3. Nikita Khandekar
4. Sanskriti Dhar
5. Shriya Agnihotri

INTERVIEW OBSERVATIONS

Panel No: - 03

10th and 11th July 2018 mock interviews Observations

Suggestions by Students:

More Non-Technical Books should be available in library.

Special training for Coding

Focus on Practical Knowledge

Small Scale Companies also should be invited for campus placement

Activities should be properly planned in semester.

Regular interview schedule must be planned.

Python Workshop

Suggestions by Panel:

Personality Development Programs

Guidance for GATE, GRE, CAT/MAT exams should be provided

Practical Knowledge

Following students are found promising and good.

Recommendations by Panel:

1. Patil Shital Santosh (Good in leadership and HR)
2. Paradkar Gayatri Narendra (Good in HR)
3. Jaiswal Jayashri (Good in HR)
4. Sanjokta Malusare (Good in Technical)
5. Kshitija Ghogare (Good in Technical)
6. Khushboo Hedau (Good in Technical)

INTERVIEW OBSERVATIONS

Panel No: - 05

10th and 11th July 2018 mock interviews Recommendations and Observations

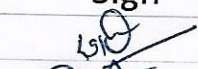

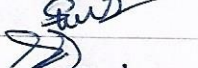

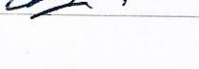

Observations

Students should give emphasis on,

- CV Preparation
- Body language -gesture, posture, eye contact, Smile
- English Communication (Many of them are not able to speak in English)
- TE/BE Project (Objectives, Problem statements and Expected results)
- Current issues (Daily Read News Paper).

Recommendations

- Students should improve English skills i.e.Reading, writing, listening etc....
- Students must go through the training like Face.....
- Student must have placement awareness since second year first semester....
- They must boost the percentage by studying hard and by taking necessary efforts for practical and Oral examinations
- Punctuality

INTERVIEW OBSERVATIONS

Panel No: - 07

10th and 11th July 2018 mock interviews Observations

Observations:

1. Students are not much aware of the procedure and preparations for the interview.
2. Resume prepared by most of the students is not in proper format and with many spelling mistakes.
3. Most of students are weak in English communication.
4. Students are not having clear idea about their BE project.
5. Students are not visiting the company websites.

Recommendations:

1. Need of FACE training sessions as many students were busy in Internship.
2. Practice sessions for Aptitude Tests.
3. GD activities are required to be planned.
4. PI practice sessions are demanded by students.
5. Students need more time span and more books related to Aptitude from Library.
6. Aptitude competitions should be organised.

Team Members,

Savita Atul Itkarkar

Mahavir Kasar

Roma Jain.

Report of seminar on "Abroad Education"

30th August 2018, Thursday

A seminar on topic "Abroad Education" by Mr. Ascanius Dsouza, Kareer Krafters, Pune. This seminar was held for BE(IT), TE (IT) students on 30th August 2018, Thursday from 3:00p.m. to 4:00p.m. in the classroom 205. The seminar was conducted successfully in the valuable presence of H.O.D. I.T. Prof. Dr. D.A.Godse .

The program started with the welcome speech by Miss.Anubha Roy and introduction of speaker by Miss. Preeti Bhatt. Prof. Dr. D.A.Godse felicitated speaker and addressed the audience. A short presentation about ITechS'A was delivered by Miss Priyanka Bhatia.

Mr. Ascanius Dsouza started his speech with benefits of doing master's in abroad. He guided us about how to do master's from different international universities and get a chance of doing paid internship at famous brand like Mercedes-Benz, BMW, Adidas at the same time to earn stipends. He told us about various exams for which we can appear to study abroad.

The conduction of this event of ITechS'A was a grand success.

FACE TRAINING REPORT

TRAINERS: MS LIJO,

MR BONEY,

MR SIDHANT,

MS PRATIKSHA

On 22nd June 2018 an introduction session and test which was conducted by **Focus Academy for Career Enhancement (FACE)**. The test included some quantitative, verbal and some coding questions. The test was conducted to know the previous knowledge of the students.

The training was started from 25th June 2018 to 9th July 2018 which covered topics of Quantitative, Verbal, Technical, Group Discussion, Resume Writing and Interview.

- Topics covered in Quantitative:
 1. Numbers
 2. Profit and Loss
 3. Percentage
 4. Permutation and Combination
 5. Clocks and Calendars
 6. Time and Work
 7. Coding and Decoding
- Topics covered in Verbal Reasoning:
 1. Sentence Correction
 2. Sentence Completion
 3. Articles and Prepositions
 4. Reading Comprehension
 5. Data Arrangements
- Topics Covered in Technical :
 1. C programming
 2. Coding on Online Platform

Topic	Concepts Covered	Duration	Comments
Numbers	Classification of numbers, divisibility tests,	25 th June 2018	Basics covered, approach to solve questions, easy methods to solve problems.

	power cycles and remainders, factors and remainders, applications of HCF and LCM.		
Data Arrangement and Blood Relation	Linear arrangement, circular arrangement, distribution, Blood relation	25 th June 2018	Clear understanding to topic and problem statement.
Clocks and Calendars	Clocks, calendars, direction sense, cubes.	26 th June 2018	Clear understanding of topic and approach to solve problems in less time.
Percentages	Percentages as fractions and decimals, percentage increase/decrease, simple interest, compound interest, relation between simple and compound interest.	27 th June 18	Learnt shortcut method to calculate percentages. Solved variety of problems based on same topic.
Time, Speed and Distance	Basics of time, speed and distance, Relative speed, problems based on trains, problems based on boats and streams, problems based on races.	28 th June 18	Learnt different approach for solving different problems. Classification of problem according to given problem statement.
Profit and Loss	Basic terminology, partnerships, averages, weighted averages, mixture and allegations	29 th June 18	Basics covered and learnt approach to solve problem in less time.
Permutation and Combination	Fundamental counting principle, permutation and combination, computation of permutation, circular permutation, computation of	30 th June 2018	Basic understanding of concept, logic building for problem solving.

	combination, probability.		
Time and Work	Working with different efficiencies, pipes and cisterns, Work equivalence, Division wages.	30 th June 18	Clear understanding to topic and solved numerous problems.
Data Interpretation	Data Interpretation – Tables, pie-chart, bar graph, data sufficiency.	31 st June 2018	Learnt shortcut method to understand data interpretation problem statement in less time and guess appropriate answer.
Sentence Correction	Verbal Arrangement, Modifiers, Parallelism, Pronoun-Antecedent Arrangement, Verb-Time Sequence, Comparisons, Prepositions, Determiners	2 nd July 2018	The understand ability of the topic was very well delivered. We understood how to use verb, pronoun, prepositions and sequencing of sentences. We also got the clear understanding of where to use determiners like – few, a few, little, a little, much, etc.
Coding and Decoding	Number and Alphabet Series, Analogy, Odd Man Out, Visual Reasoning	2 nd July 2018	We understood how to identify a problem of different type and how to apply logics to solve the same.
Vocabulary	Vocabulary Demystified, Synonyms and Antonyms, Word Analogy, Miscellaneous Vocabulary	26 th June 2018	We learned the meaning of many words along with some prefix and suffix used in a word which describes a meaning. We also found out how to go for finding synonyms and antonyms.
Data Interpretation	Tables, Pie Chart, Bar Graph, Data Sufficiency	29 th June 2018	Interpretation of Data provided in various format need to be done which increased our thinking ability for retrieving the data.
Reading Comprehension	Speed Reading Strategies, Type of Tackling Strategies	25 th June 2018	We learned different reading strategies one should adopt to reduce time in reading comprehension and gaining more numbers in this section.

Sentence Completion	Para Jumbles		We learned how to organize sentences and data in a proper order.
C language Concepts	Classes, Objects, Functions, pointers, reference, ternary operator, data types, arithmetic operator, logical operator, binary operator, Coding on Online portal	3 rd July 2018 to 5 th July 2018	The session was started with basic concepts of C then proceeded with the main concepts like- inheritance, encapsulation, objects, modifiers, etc. We also tried to execute some problem statement on FACE's Online portal and got the knowledge of how to satisfy the test cases.
Group Discussion	Topic Understanding, Thinking of appropriate points, How to put you point	6 th July 2018	We got to know the way to behave in a group discussion. They also explained different strategies which can be used to think of a point relevant to the topic given.
Resume Writing	Sequence	7 th July 2018	In this session we got to know how to construct our resume. The orientation of points was told and we prepared our resume according to it.
Interview	Confidence, English Speaking, Attire, handshake, Manners	7 th July 2018	We got to know the important key factors of an interview. One mock interview was also conducted.
Mock Interview		9 th July 2018	The whole day was dedicated for mock interview in which mam constructed a proper interview atmosphere asking us questions related to resume and technical background. After interview mam also gave some feedback about our interview.

Peer-to-Peer Training Report

All the placed students of BE IT formed the 4 groups to cover important topics for the preparation of Campus Placement, Aptitude, Technical, HR Interview, Programming Round. Each group prepared Powerpoint Presentations. The peer-to-peer training for SE and TE students was scheduled on 21st February, 2019 in classroom 206.

An aptitude test is an important part of the screening process for potential employers. They focused on Logical reasoning, Verbal Ability, Numerical Ability, Abstract Reasoning, Spatial reasoning etc. They also covered guidance for group discussions, as this round is conducted in the selection process for trainees and executive positions to mainly check team playing skills for working in organizations with people.

In Technical sessions the important topics of Data Structure and Algorithms, Object Oriented Programming, Database Management Systems, Computer Network, Operating System were discussed. Later, they explained how every company conducts an HR interview round to judge your personality, your strengths, your weaknesses, your capability to handle the role, to check your background, and to understand if you're the right fit for this job. The Guidance for General questions like Tell me about yourself, Why are you interested in this position? were given.

The programming session included demonstration of online programming platforms like www.hackerrank.com etc. for logic development and programming practice. These sessions were indeed useful for SE and TE students for the preparation of Company placement.

This activity was successfully conducted under the guidance of Prof. S. T. Khot, Training Officer and Prof. P. D. Kale, Placement Officer and Prof. Dr. D. A. Godse, HOD-IT.

Report on Peer to Peer training

A peer to peer training taken Conducted by placed **final Year students** for **second year** and **third Year E&TC** students on 27th Feb 2019. The training included, the aptitude round, Coding round, Group discussion, Technical round, HR interview.

✓ **Aptitude round:** this included basic information about how and what the round is about. This includes problem solving, prioritization and numerical skills, amongst other things.

✓ **Coding round:** it consists of coding questions or a combination of coding questions and MCQs

✓ **Group discussion:** many recruiters use group discussion to test a candidate's communication skills, leadership skills, test topic knowledge, etc.

✓ **Technical round:** it is an interview to access your technical ability for the role, and the depth of your knowledge in chosen field.

✓ **HR interview:** HR interviewers want to find out general information about key strengths and all.

Placed students shared their job placement story advising other students to work smart but consistently.

The session concluded by the success stories of seniors, do's and don'ts and the selection trend now days.
