**Observations :**

1. Many students did not prepare resume in proper format
2. Knowledge of TCS company was less.
3. Some students were very weak in English Communication.
4. Student were weak in technical Domain [C, C++, Data Structure ....]

**Recommendation :**

1. Students require more hands on training sessions for coding.
2. Seminars must be arranged on different domain so that it will be easy for students to select project topic.
3. Students require FACE like training from first year.
4. Students want mini project instead of assignment.
5. Students expect more opportunities for Internship and placement.
6. Result of mock interview of all students should be analyzed , displayed on notice board and appropriate action should be initiated.
7. Attendance sheet for mock interview should be provided in printed format.
8. Observations and recommendations given should be discussed with Principal, respective HOD and T&P Coordinators.

*Report on "Mock Interview by Internal Senior Staff Panel "*

2016-17, 2017-18, 2018-19

College is conducting Mock Interview as a practice for proposed Campus Placement Interviews in Final year Commencement of 7<sup>th</sup> Semester. In Academic Year 2016-17 and 2017-18 it was conducted for only eligible students, whereas in Academic Year 2018-19 it was conducted for all Final year students.

The objective of the Programme is that Senior staff members of the college should analyze inter branch students. From student perspective since the panel members were from other branch, interview appearing students will be out of their comfort zone.

In Academic Year 2016-17 the outcome of this activity was based on Strength, Weakness, Opportunities and Threat of individual interview appearing students. Placement Cell realizes this analysis sheet may not be sufficient for analyzing the students from 360 degree perspective. In Academic Year 2017-18 the questionnaire for each student is prepared. The questions include student's awareness about BE project, awareness about company websites, her future plan etc.

Student centric approach is opted by asking them questions like " how college can contribute to her future plan" etc. Each Interview Panel includes interdisciplinary members to break comfort zone of the students. Each student's report is completed in detail by Panel member.

In Academic Year 2017-18 Placement Cell conducted the activity for eligible students. From Academic Year 2018-19 Mock Interview activity will be conducted for all final year students irrespective of eligibility.

At the end concluding meeting was conducted to have brainstorming sessions among the panel members. The conduction of this activity will help college authorities to understand each final year student of that particular academic year. The analysis will help to take proactive steps in terms of training to be provided to her since her second year engineering.

**B.V.C.O.E.W. PUNE**  
**Mock Interview Evaluation Report**

**Observations :**

1. Students were well dressed and punctual and most of the students were good in English communication.
2. Students were eager to know the feedback of interviewers so as to improve.
3. Many students did not prepare resume in proper format
4. Knowledge of company was less.
5. Some students were very weak in English Communication.
6. Student were weak in Technical Domain Core/Favorite Subjects, C and C++.

**Recommendations :**

1. Students require more hands on training sessions for coding.
2. Seminars must be arranged on different domains so that it will be easy for students to select project topic.
3. Students require training FACE like from first year.
4. Students want mock interviews for all students.
5. Students expect more opportunities for Internship and placement especially in core electronics companies. More companies should visit our college for placement.
6. Result of mock interview of all students should be analyzed, displayed on notice board and appropriate action should be initiated.
7. Attendance sheet for mock interview should be provided in printed format.
8. Observations and recommendations given should be discussed with Principal, respective HOD and T&P Coordinators.

**Promising Students as per Panel members :**

1. Molawade Smruthi
2. Siddhi Sawant
3. Shetty Raksha
4. Shewate Prajakta
5. Richa Priya
6. Nawale Prajakta
7. Nelawade Anuradha

MOCK INTERVIEW

Observations & Recommendations

Panel No:01

Date:- 6/5/2022

- 1) Observations:- It is observed in mock interviews that most of the students are good in communication skills, self motivated, dedicated to work. Students are satisfied with the trainings conducted by college for them. Most of students want to appear for job placement activities after graduation.
- 2) Suggestions:- Few suggestions are received from students like expert lectures by Alumni students, promote students for higher studies, provide aptitude material, cultural events focus on co-curricular activities, sessions from product based company like Google, Amazon etc.
- 3) Recommendations:- Following students found good in mock interviews and recommended for placement activities.
  1. Vaishnavi Biradar
  2. Sakshi Bangar
  3. Aishwarya Kotapalli
- 4) Improvements:- Following student found poor in performance and needs to improve.
  1. Prochi Bhujbal
  2. Rupali Bharambe
  3. Bipali Gode

**Placement Preparation Presentation Evaluation (Third Year 2022-23)**  
**Summary Report E&TC**

**Date: - 13-02-2023**

Placement Preparation Presentations (1<sup>st</sup> iteration) were conducted from 23<sup>rd</sup> January to 2<sup>nd</sup> February 2023. Third year students have been assigned few pointers (Questions) and study resources prior 2 months of interview schedule. The interview Panel constitutes of Head of Department, Department Placement Coordinator staff, Department Internship In charge, Project Guide / Internship Mentor.

**Following are the objectives of the Programme:**

- 1) To analyze her Technical Competency.
- 2) To create early awareness about recruiters' expectations.
- 3) To verify her consistent practice on Competitive Programming platform.
- 4) To Guide about the content of resume and presentation pitch.
- 5) To understand about recruiters' proposed selection rounds.
- 6) To take Feedback about learning skills within Internship.
- 7) To access the Clarity about Seminar (Literature Survey of proposed project)

**Outcome of the Programme :**

- 1) Based on student's presentation, she has been informed about her "Approved in 1<sup>st</sup> Iteration" or "Non Approved in 1<sup>st</sup> Iteration" status immediately. Areas of improvement were suggested by Panel members.

**Proposed Plan of action for above both categories:**

- 1) "Approved in 1<sup>st</sup> Iteration" :

Each approved student will update her Project Guide / Internship Mentor

3 times with upgraded resume in upcoming semester and submit resume to guide/ mentor, her transformation from 1<sup>st</sup> resume version (already with guide/mentor) to 4<sup>th</sup> resume version (May 2023) will be observed. Schedule for next visits to guide/Mentor is as follows:

- (a) 1<sup>st</sup>/2<sup>nd</sup>/3<sup>rd</sup> March 2023
- (b) 1<sup>st</sup>/2<sup>nd</sup>/3<sup>rd</sup> April 2023
- (c) 1<sup>st</sup>/2<sup>nd</sup>/3<sup>rd</sup> May 2023

2) "Not Approved in 1<sup>st</sup> Iteration" :

If student is interested to appear in proposed Campus Placement drive and willing to take efforts, she may present her preparation to her project guide /internship mentor. If guide/mentor approves recommend "Not Approved in 1<sup>st</sup> Iteration" student may write an application, get remark of her Project guide / Internship Mentor and submit signed application to Department Placement staff Coordinator. Based on the recommendations from all guide/mentor "Not Approved in 1<sup>st</sup> Iteration" student may be given an opportunity to present again.

- 3) Category 1 i.e. students who are interested to pursue PG (MBA/MS/ME/MTECH) MPSC /SSB will submit an application (planning for higher studies immediately) with her Parent's signature to Department Placement staff Coordinator till 6<sup>th</sup> February 2023 EOD.

**SUMMARY :-**

Different Coding Clubs like Coding, Aptitude and HR are conducted by students, observed and corrective actions are suggested by the Training Coordinator. One of the students gives a task daily and other students solve it by end of the day which enhance their thinking power and also receive constructive solutions from other students. These clubs are helpful to broaden the knowledge of students in terms of Placement.

Q.1 Explain how computer programming works?

Ans. It is the task of telling computer what to do. It is the process of writing a set of instructions to the computer to perform a specific task. The instructions are written in a programming language which is a set of symbols, codes and alphabets that defines how the computer should do a particular task.

Q.2 What are variables?

Ans. A variable is a container that holds a value. It is used to store data that can change during the execution of a program.

Q.3 What are the types of variables?

Ans. There are three types of variables: local, global and static.

Q.4 What are the rules for naming a variable?

Ans. The rules for naming a variable are: 1. It must start with a letter or an underscore. 2. It can contain letters, numbers and underscores. 3. It cannot contain spaces. 4. It cannot be a keyword or a reserved word.

The screenshot shows a WhatsApp chat interface. At the top, the status bar displays the time 9:37 AM and various icons. The chat header shows the contact name 'SE ENTC Coding 23-24' and a profile picture. The chat history includes:

- A message from 'S' (Shruti Memane) with a phone number, containing a list of five C programming tasks: 1. Write a Program to create a pyramid pattern using C. 2. Write a program to form Pascal Triangle using numbers. 3. Write a Program in C to Print all natural numbers up to N without using a semi-colon. 4. Write a C Program to find the Maximum and minimum of two numbers without using any loop or condition. The message is timestamped 6:26 pm.
- A reply from 'K' (Khushi Deshmukh) with a phone number, containing a list of five roll numbers: 21171, 21168, 21271, 21268. The message is timestamped 6:38 pm.
- A document titled 'Vedangi Kharade SE2 D Batch Coord...' is shared, containing a code snippet: 

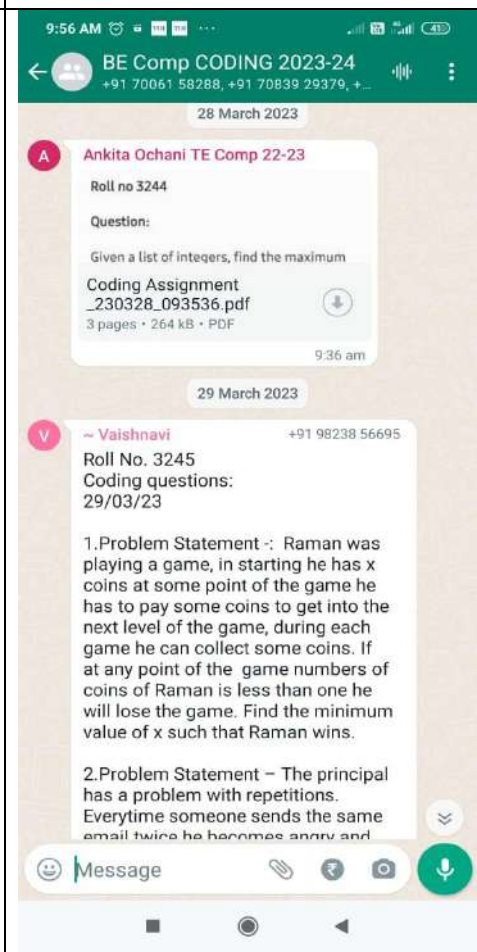

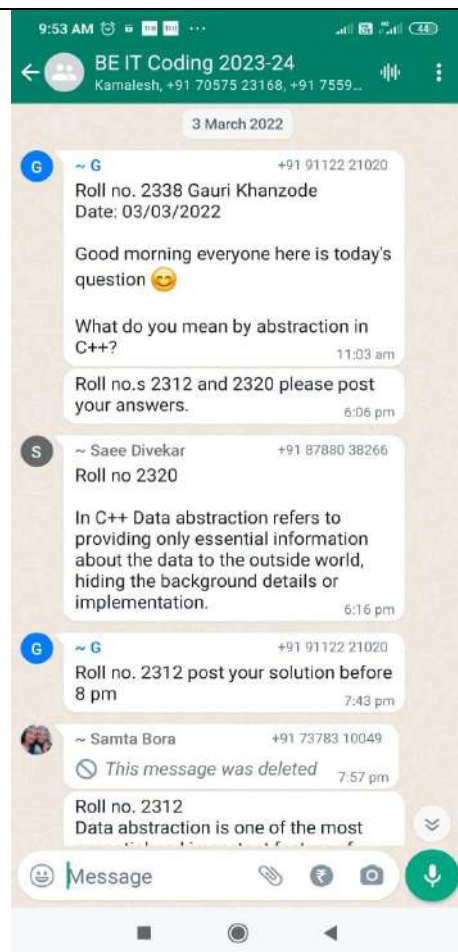

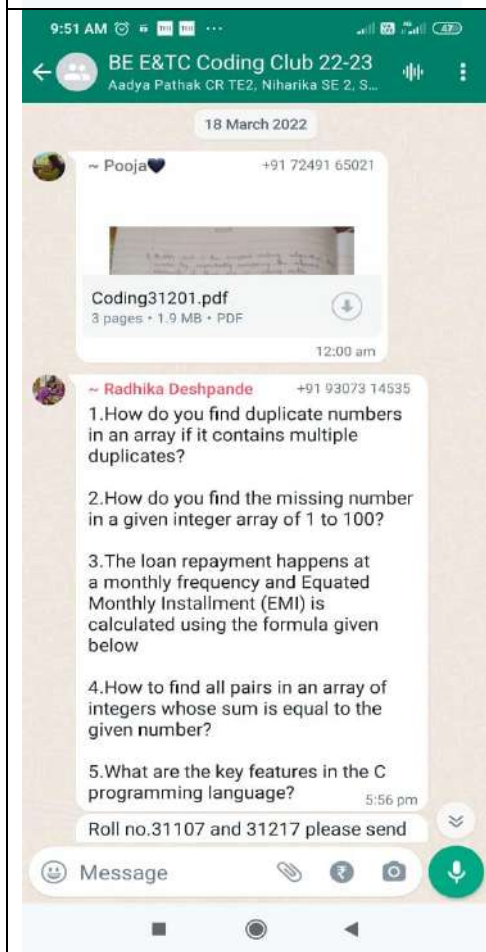

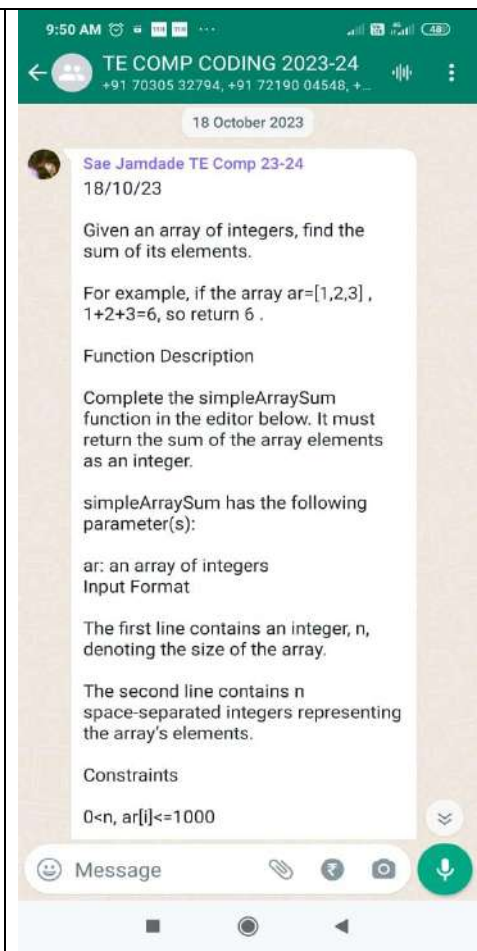

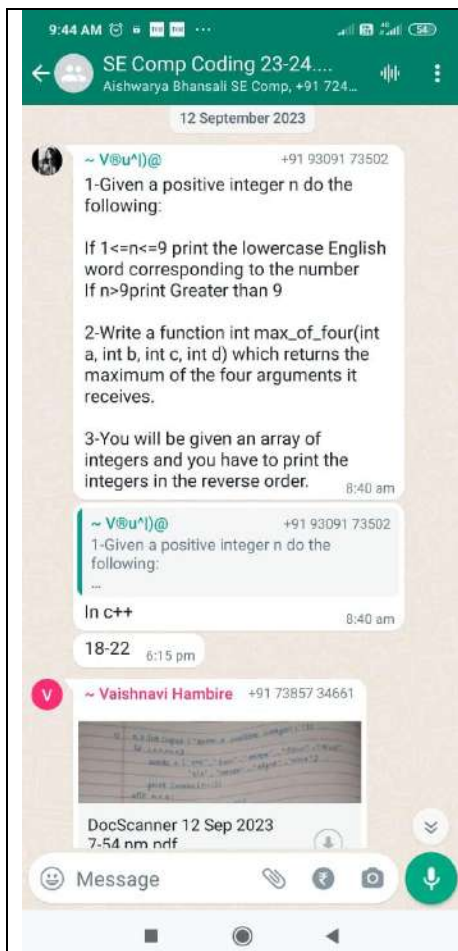

```
#include <stdio.h>
int main() {
```

 and a PDF file 'DocScanner 31 Oct 2023 7-00 pm.pdf' (139 kB). The document is timestamped 7:06 pm.
- A second document titled 'Vedangi Kharade SE2 D Batch C...' is partially visible at the bottom.

The bottom of the screen shows the standard WhatsApp input area with a 'Message' label, icons for attachments, voice recording, and a green send button.
