MEMORANDUM OF UNDERSTANDING (MoU)

BETWEEN

Bharati Vidyapeeth College of Engineering for Women, Pune

AND

Ergen Technovation Pvt. Limited

This Memorandum of Understanding (hereinafter called as the 'MoU') is entered into on this the 23rd day of Month October, 202 2 by and between.

Bharati Vidyapeeth College of Engineering for Women, Pune, the First Party represented herein by its Principal **BVCOEW** And **Ergen Technovation Pvt. Limited** the Second party, and represented herein by its **CTO, Mr.Nityanand Prabhu Tendulkar, Ergen Technovation Pvt. Limited.**

WHEREAS:
A) First Party is a Higher Educational Institution named: **BVCOEW**

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education, Placement, Industrial Visit, Expert Lecture.

D) **Ergen Technovation Pvt. Limited** - the Second Party is engaged in providing internship opportunities for the students under focusing creating co-curricular products for the students.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1   CO-OPERATION

1.1 Both Parties are united by common interests and objectives, and they shall establish co-operation.
1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities.
1.3 The parties shall co-operate with each other and shall as promptly as is responsibly practical, relevant agreement.

CLAUSE 2   SCOPE OF THE MoU

2.1 Industrial Training & Visits: Industry and Institution interaction will provide an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. This will provide confidence & smooth transition for students work. Also the Second party may register on the AICTE Internship Portal for the benefit of students.

2.2 Guest Lectures: Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

2.3 Placement of trained students: second party will actively engage to help the delivery of the training and placement of the students of the first party on the technology trends and in house requirements.

2.4 There is no financial commitment on the part of the **BVCOEW**, the first party to take up any program mention in MoU. If there is any financial consideration, it will be dealt separately.

2.5 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required.

CLAUSE 3   VALIDITY

3.1 Duration of MoU is from June 1, 2022 to May 31, 2023. This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period, the Second Part.

CLAUSE 4   RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership.

Prof.M.S.Kasar   Prof.V.P.Mulik   Mr.Nityanand Prabhu Tendulkar

Coordinator   CTO, Ergen Technovation Pvt. Limited

Report "Startup Pitch Competition (AAROHANA)"

Date: 28/04/2023

Tech-Fest was organized by Bharti Vidyapeeth College of Engineering for Women, Pune. The name of the tech-fest was "AVINYA". Many technical programs were organized in Avinya. One of them was a startup-pitch competition called "AAROHANA".

We got two judges for the event - Mr. Nityananda Prabhu-Tendulkar and Mr. Rakesh Nalawade. Many students from various colleges had registered for this program. And three of them are winners. Harshraj Singh, Om Vastra and Omkar Jadhav, Saadgi Pandey were the first, second, and third prize winners respectively.

The staff Coordinator for the event was Prof. Vinod Mulik and the student coordinator was Rewa Parashar. The event went very smoothly. We all really enjoyed the tech-fest. And get a lot of experience from all these events.
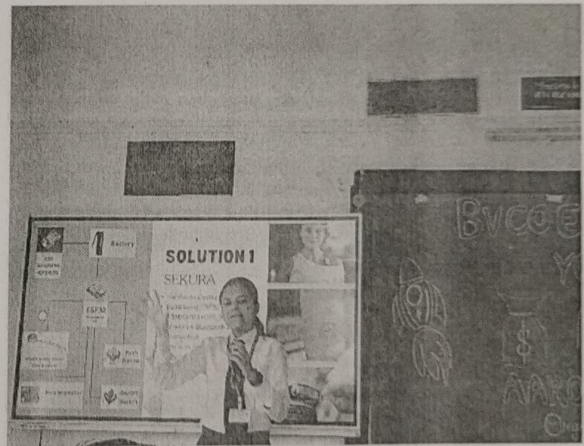

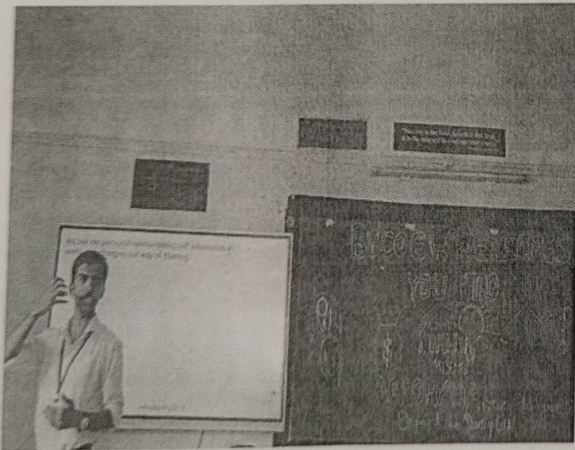

Rules:

1. Group of 2-3 people or individual participation.
2. Duration 3-5 minutes.
3. PPT Presentation should be related to startup idea only.
4. Ideas, Societal problems, and solutions should be properly satisfied.

5. Vision and mission should be specified.

Price money:

- 1st Prize: RS. 5000/-
- 2nd Prize: RS. 3000/-
- 3rd Prize: RS. 2000/-

Venue:

Bharati Vidyapeeth's College of Engineering for Women, Pune

Bharati Vidyapeeth college of Engineering for Women, Pune

Industrial Visit

TE E&TC

Date: 16/12/22

Bharati Vidyapeeth's College of Engineering for Women, Pune organized an industrial visit to Ergen Technovation Pvt. Ltd for Third Year Electronics and Telecommunication Dept. students on 15th of December 2022. The objective of the visit was to give students the practical exposure to the domain.

Established by Mr. Nityanand Prabhu Tendulkar in 2020, Ergen Technovation Pvt. Ltd (ELON Power) is one of the leading manufacturers of Battery Chargers, Power Supply and DC to DC Converters.

The students reached the venue at 1:00 pm. Mr. Nityanand gave us a brief introduction of the company and the manufacturing processes. He then explained us the complete manufacturing process of a Switched Mode Power Supply. At first, he showed us the PCB design layout of the circuit and the actual circuit board derived from that design. Then he gave a detailed explanation of the various components mounted on the circuit, their working and finally the overall working of the power supply. He showed us the waveforms generated as well. Then we headed to the next section where all the basic electronic components like different types of resistors and capacitors, MOSFETS, Diodes, Inductors, etc, were shown fresh out of their stock.

After that we moved to their working area. Here they showed us the battery chargers and how the components are mounted on the circuit board. We also learnt about the manufacturing and working of transformers. An employee showed us how the primary and secondary wires are wrapped around, and insulated, and then the E shaped iron cores are mounted with the tiny gaps avoiding losses. Then Mr. Nityanand told us about the applications of all these devices that they manufactured. Some of them include toll gate boom barriers, electronic displays at bus and railway stations, uses in electric vehicles, etc. At the end, the students asked their queries and Mr. Nityanand happily addressed to them all.

We are very grateful to our teachers, Prof. Mulik, Prof. Kasar and Prof. Yadav for organizing this wonderful visit. We surely gained some practical knowledge and will definitely try to apply whatever we have acquired.
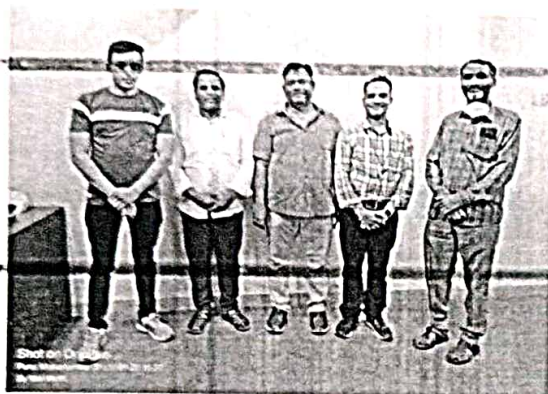

Thank you!

Vinod P Mulik

Entrepreneurship development cell organises business or entrepreneurship poster competition

Date : 27-04-2023

We may live in a digital world, but don't underestimate the power of a poster to get the word out. Posters are the most preferred means of advertisement to spread the word about an event or a social issue. But marketers have now turned posters into a potent weapon of brand promotion. They look for unique poster ideas to grab people's attention and also to win target customers' faith and loyalty. No upcoming and established business can ignore the importance of a poster campaign for brand awareness .

Start up and entrepreneurship posters allow young minds to present their ideas and views .Poster presentations challenge you to communicate your research in a different way to oral presentations .

Session wise summery of FoP

Day 1:
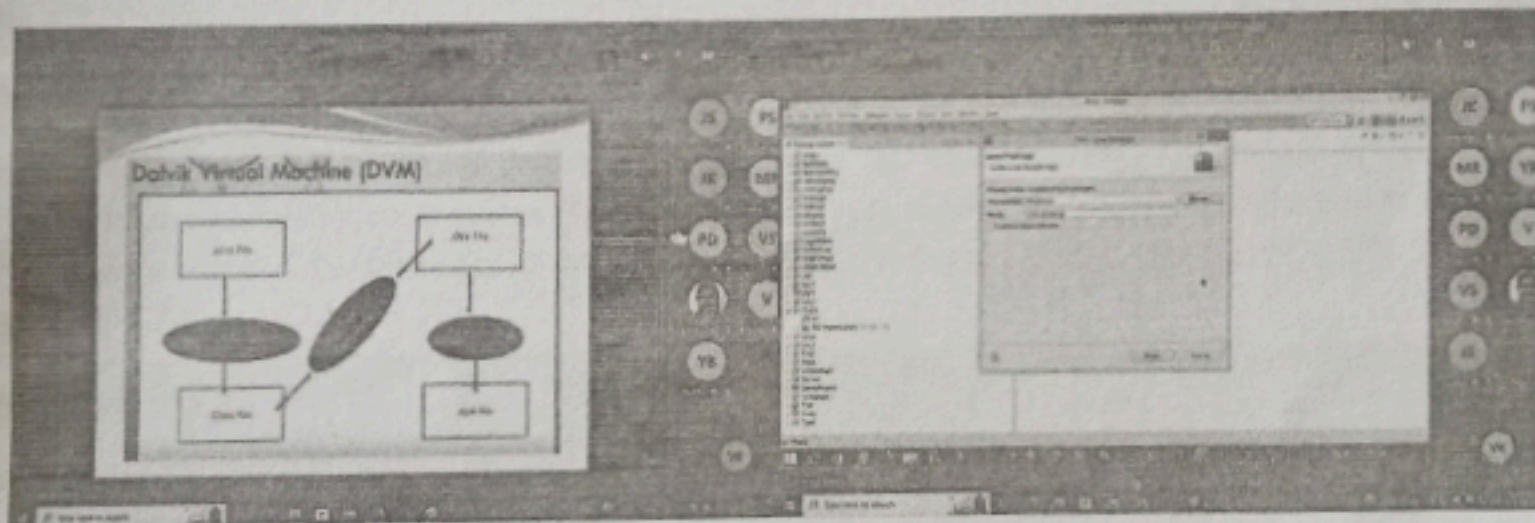

Date: 30th January, 2023

Session: 1
Topic: Introduction to JAVA and Android

Resource Person: Prof. SatyajitSirsath, NMIT,Talegaon.

Prof.K.D. Mahajan, Assitant Professor, E&TC Dept. BVCOEW, has commenced the session by welcoming the session speaker Prof. Satyajit Sirsath. Session started with Overview of Java, XML and SQL open handset alliance (OHA) which is consortium of 84 firms to develop open standards for mobile devices. Introduction to Android and detail discussion on Features of Android, Android Architecture and Android App build process. The session ended by a formal vote of thanks by Prof K.D. Mahajan,AssitantProfessor, E&TC Dept. BVCOEW.

Session 2:
Topic: Introducing Android
Resource Person: Prof. Satyajit Sirsath, NMIT, Talegaon.

The resource person of this session was **Prof. Satyajit Sirsath**. He gave the overview on Android *Software Development Kit* (SDK) which is used to create android Apps easily and discussed on Android Emulator, Android Installation, setting up development environment using Eclipse/ Android Studio. He also showed the detail Android installation using eclipse.The session ended by a formal vote of thanks by Prof K.D. Mahajan, Assitant Professor, E&TC Dept. BVCOEW.
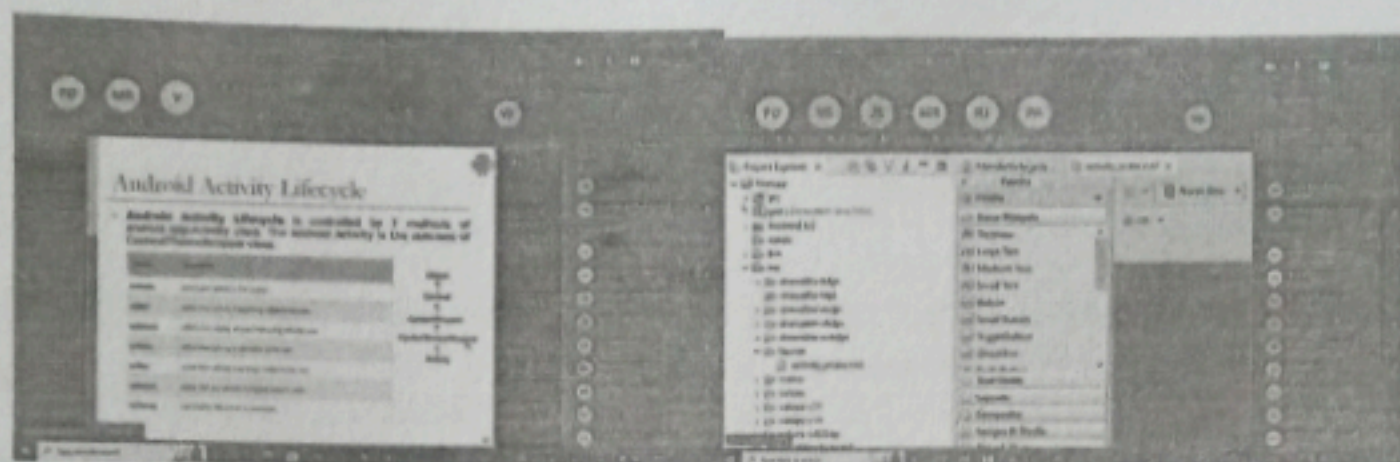

Day2:

Date:31st January, 2023

Session 1:

Topic: Android Application Structure

Resource Person: Prof. Pravin Andhale, Matoshri college of Engineering. Nashik

Prof.S.M. Jagdale Assistant Professor,BVCOEW, Pune introduced the resource person for this session, Prof. Pravin Andhale to the participants. After that, Prof. Pravin Andhale started his session by stating the applications of Android. He explained the basic building blocks of an Android application like Activities, Services, Broadcast Receivers & Content providers, UI.The session ended by a formal vote of thanks by Prof.S.M. Jagdale, AssitantProfessor, E&TC Dept. BVCOEW.
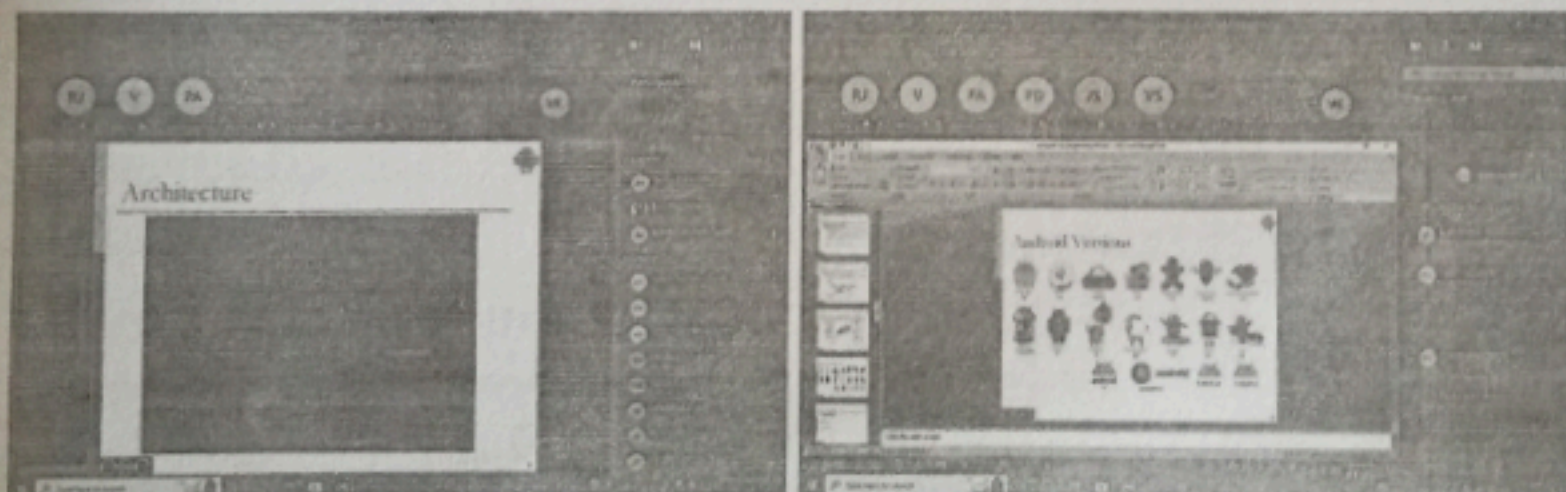

Session: 2

Topic: Activities, Fragments, Intents and Android User Interface

Resource Person: Prof. Pravin Andhale, Matoshri college of Engineering. Nashik

The resource person for this session 1 of Day 2 of this FoP on Android Development was , Prof. Pravin Andhale . He started the session with brief introduction of Intents, application using Intents. Also he explained components of screen, adapting to display orientation, split screen and multiscreen activities.He explained about Android SDk manager.The session ended by a formal vote of thanks by Prof.S.M. Jagdale, Assitant Professor, E&TC Dept. BVCOEW.

Day3:

Date:1ˢᵗ February, 2023

Session: 1

Topic: Designing User Interface with Widgets

Resource Person: Prof. Chandrakant Kokane ,NMIET, Talegoan.

Prof.K.D.Mahajan, Assistant Professor, BVCOEW, Pune introduced the resource person for this session Prof. Chandrakant Kokane to the participants. After that, **Prof. Chandrakant Kokane** started his session by explaing how to use basic Views. He showed the details of Android Studio. Also he gave brief explanation about multimedia, Animation and Graphics which include playing audio, playing Video, rotate Animation, Fade In/Fade Out Animation, zoom Animation, Scale Animation ,2D and 3D Graphics.The session ended by a formal vote of thanks by Prof.K.D.Mahajan, Assitant Professor, E&TC Dept. BVCOEW.
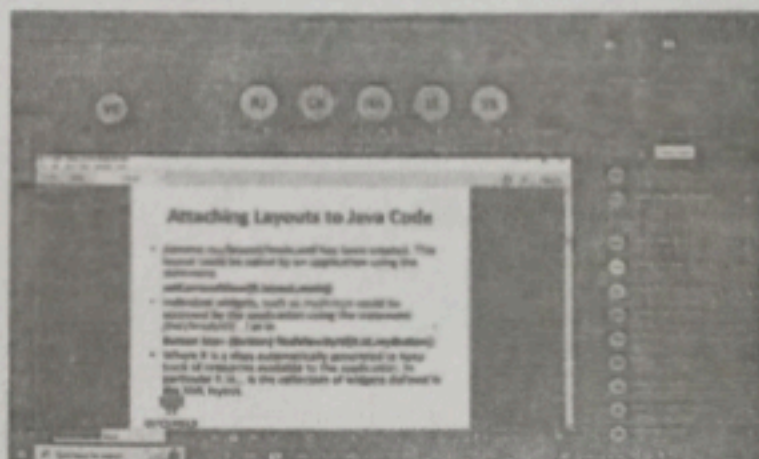

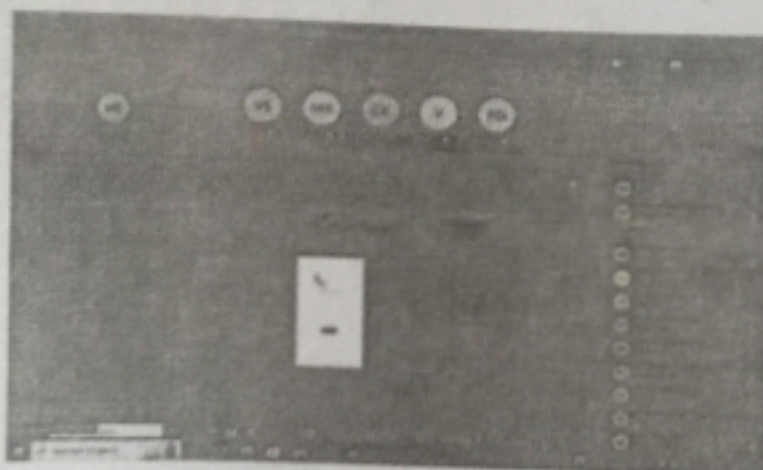

Session: 2

**Topic: Databases, Location-Based Services and Google Map**
Resource Person: Prof. Chandrakant Kokane , NMIET, Talegoan.

The resource person of this session 2 of Day 3, Prof. Chandrakant Kokane started his session by explain Data Storage which includes shared preferences, Internal storage, external Storage , SQLite database and remote Database. He explained front end and back end system. He explained about Android app development technology. Also he gave brief explaination about SQLite, building and executing queries, accessing phone services.The session ended by a formal vote of thanks by Prof.K.D.Mahajan, Assitant Professor, E&TC Dept. BVCOEW.

Shri Rajeev Nambiar
Director, Institutional Programs
The Art of Living
Office. The Art Of Living International Centre,
21st km Kanakapura Rd, Udayapura, Bengaluru, Karnataka - 560082

Dear Sir:

The various institutional training programs of the Art of Living are globally recognized to equip and empower both students, faculty and staff with necessary tools and techniques for all round excellence. We are convinced that it will be mutually beneficial to have a formal understanding between us regarding sensitizing the students, faculty and staff of the our institution about The Art of Living Training Programs. **Regarding this we intend to enter into an MOU with The Art of Living in the immediate future.**

We intend to offer the world renowned **"Youth Empowerment & Skills Program (YES!+)"** program conducted by the Art of Living for our students (18+ yrs in age). The YES!+ program runs over for 4-6 consecutive days for a total of 20 hours (3-4 hours each day).

Our institution shall give permission to TAOL faculty to conduct informational seminars on campus to raise awareness among the students and faculty about the YES!+ program. We shall provide all assistance to the Art of Living in hosting the programs on campus - venue, logistical arrangements and program promotion on campus.

The financial considerations regarding the agreement shall be finalized as part of the MOU.
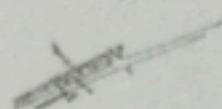

This letter does not constitute a legal offer and does not create any legally binding obligations between our organizations.

We expected the details of the MOU to be finalized before the end of Feb 2023 and to get the Art of Living Programs rolled out soon afterwards on campus.

Thanking you .

Prof. Y R Dhumal
(MOU COORDINATOR)

Prof Dr. S.R.Patil

EDUYOUTH MEET

CERTIFICATE OF APPRECIATION

This is to certify that

Kanchan Deepak Mahajan

From **Bharati Vidyapeeth**

has committed to uphold Human Values by participating in the EduYouth Meet addressed by Gurudev Sri Sri Ravi Shankar on Feb-4, 2023 in Pune & has exhibited rectitude in pledging for a Drug Free India.

The event finds a mention in the Asia, India and London Book of Records.

59e2-4dac-71b2-3675
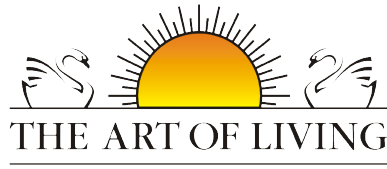

To,
Respected Kanchan Mahajan
Assistant professor
Bharati Vidyapeeth's College of Engineering for Women Pune-43
Pune

Sub: Expression of Appreciation for participating in the EduYouth Meet.

Respected Sir/Madam,

Warm Greetings!

Our heartfelt appreciation for your valued presence and participation in the EduYouth meet held on 4th Feb 2023 in Pune.

The EduYouth meet was a grand success and a historic event with the participation of approximately 1.5 Lakh Students and Educators.

We heartily congratulate and thank you for partnering with The Art of Living Foundation in heralding a new era in the field of Indian education based on Human Values, Student Support and Progression as per the National Education Policy 2020, thereby enabling a healthy and stress-free society.

The historic pledge by the 1.5 lakh youths was entered in the India, Asia & World Book of Records. This is a beginning of creating a drug-free India, which shall require your active support and participation.

I am confident that our meaningful collaboration for the holistic well being of students shall continue for years to come!

Thank you once again.

Yours Sincerely,

Himanshu Nagarkar
Director, The Art of Living
Institutional Programs
Maharashtra

Perfect Skills

Memorandum of Understanding

This MEMORANDUM OF UNDERSTANDING between **Perfect Skills** and **Bharti Vidyapeeth's College of Engineering for Women (BVCOEW)** is to establish cooperation, with each other or jointly collaborate with the third Parties for increasing employability, assisting placement & upskilling, and or facilitating job search/opportunities for the individuals at the respective institute.

The MoU states that the two organizations will honor the agreement by:

1. Promoting interaction between the Industry and BVCOEW in mutually beneficial areas.
2. To collaborate, share information and knowledge to develop the required skills, and intend to create a center of excellence.
3. To support in following activities
   a. Skill Development of students
   b. Facilitate Internships and Job Opportunities
   c. Organizing UpSkilling Trainings & Workshops
   d. Industry Insights Seminars
   e. Competitions

Perfect Skills

The Memorandum signed will be the guiding document for both the parties for the execution of the actions and initiatives in the near future. Both the organizations will encourage concerned members to define the overall strategy and roadmap to carry out collaborative activities

MEMORANDUM OF UNDERSTANDING (MoU)

BETWEEN

Bharati Vidyapeeth College of Engineering for Women, Pune

AND

Dolphin Labs, Pune

This Memorandum of Understanding (hereinafter called as the 'MoU') is entered into on this the 22nd day of Month July, 2022 by and between.

Bharati Vidyapeeth College of Engineering for Women, Pune, and the First Party represented herein by its Principal **BVCOEW** And **Dolphin Labs** the Second party, and represented herein by its **CEO, Mr. Chittaranjan Mahajan, Dolphin Labs**.

WHEREAS:
A) First Party is a Higher Educational Institution named: **BVCOEW**

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education, Placement, Industrial Visit, Expert Lecture.

D) **Dolphin Labs.** - the Second Party is engaged in providing internship opportunities for the students under focusing creating co-curricular products for the students.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1　　　　　　　　　　　　CO-OPERATION

1.1 Both Parties are united by common interests and objectives, and they shall establish co-operation.
1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities.
1.3 The parties shall co-operate with each other and shall as promptly as is responsibly practical, relevant agreement.

CLAUSE 2   **SCOPE OF THE MoU**

2.1 Industrial Training & Visits: Industry and Institution interaction will provide an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. This will provide confidence & smooth transition for students work. Also the Second party may register on the AICTE Internship Portal for the benefit of students.

2.2 Guest Lectures: Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

2.3 Placement of trained students: second party will actively engage to help the delivery of the training and placement of the students of the first party on the technology trends and in house requirements.

2.4 There is no financial commitment on the part of the **BVCOEW**, the first party to take up any program mention in MoU. If there is any financial consideration, it will be dealt separately.

2.5 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required.

CLAUSE 3   **VALIDITY**

3.1 Duration of MoU is from July 22, 2022 to July 21, 2023. This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period, the Second Part.

CLAUSE 4   **RELATIONSHIP BETWEEN THE PARTIES**

5.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership.

Report on
Workshop on Circuit Building and PCB Making

A three days' workshop on *"Circuit Building and PCB Making"* was organized by Electronics and Telecommunication Department for Second Year (SE) students in association with Dolphins Labs from 10th April 2023 to 12th April 2023. The speaker of the workshop was Mr. C.P. Mahajan, the Founder & CEO of Dolphin Labs. The session started with the inauguration function in which Prof. Dr. S. R. Patil, Principal explained the motive of the workshop and also elaborated on how such kind of workshops will enhance the personality of an electronics and telecommunication engineer. The introduction of speaker was given by workshop coordinator Prof. P. R. Yawle.

After the inauguration ceremony, Mr. C.P. Mahajan started the workshop by giving an overview of the contents of the workshop and tools required to build a circuit on PCB. He taught about the electronic components and connections on a bread board and gave the introduction and applications using IC 555. The hands-on session started small projects built using IC 555 and other components, which were mounted on a breadboard. Next day started with the session of virtual design of PCB layout using the *Express PCB Software.* The recourse person also enlightened on how to design PCB layouts while keeping manufacturing costs in mind. On the last day of workshop, the layouts created by the students were printed and transferred to the PCB boards. The students drilled the holes on PCB and tried etching using Ferric Chloride. The recourse person also gave industry exposure and overview. Lastly, a question-and-answer session was held which was a interactive session where students cleared their doubts on various aspects from Mr. C. P. Mahajan and also elaborative and valued feedback was given by students. The vote of thanks was delivered by Miss. Ananya Wagh, student and class representative of Second Year (SE-II). Overall, the workshop was very beneficial and students were happy that they got an opportunity to learn the hand-on session from Mr. C. P. Mahajan.With the determination and hard work of Head of Department and Principal, Prof. Dr. S. R. Patil and workshop coordinator, Prof. P.R. Yawle and student coordinators, this workshop were an absolute success.

**Report of Webinar on "Why Python Programming is a Future Skill for Every Learner"**

The Department of Information Technology organized a workshop on "Why Python Programming is a Future Skill for Every Learner" by Mr. Parth Shukla, Founder, 9Ledge Pro, on the 7th May, 2023, Sunday from 11.00AM – 12.00PM, through online mode using the Microsoft Teams platform for TE IT students. A total of 45 students attended the webinar.

The program started with a welcome speech and the introduction of the speaker Mr. Parth Shukla by TE IT student Ms. Utkarsha Kakade. The speaker, Mr. Parth Shukla began with the importance of learning python programming. Then he explained basic of python programming. He also given the idea about IBM certification on the same.

Session ends with Vote of thanks speech by Aditi Hulwan, Student of TE IT.

The session was very interactive. The students have got satisfactory answers to their questions.

The conduction of this MOU activity was a grand success.

Report of Seminar on "Industry Requirements for landing a good job"

12th May 2023

On 12th May 2023, A session was conducted on "Industry Requirements for landing a good job" by respected Mr. Qaidjohar Jawadwala Sir who is founder and CEO of QJ Technologies, Pune. The one hour session was conducted from 9:15 am to 10:15 am for SEIT students. Total 66 students of SE IT were present for this session. The discussion enlightened students about the skills required for grabbing a good job with a higher package.

Sir has shown a road map towards a successful and bright career by covering various points such as how to prepare for an interview? What are trending technologies? Which skills are required at present industry level and much more. The discussion was also about important certified courses and how to make the best out of them which are available on various online platforms such as Coursera, Udemy etc.

Sir has well informed about APIs which act as a middle man allowing developers to build new programmatic interactions between the various applications people and businesses use on a daily basis. Overall the session was highly informative.

One of the best part of the entire session was acknowledging the fact that scoring good pointers and working only on academics is not enough for getting a well paid job and staying employed in the era of recession and mass layoff by asking us to develop our skills and practical knowledge of the field where logical reasoning and verbal reasoning is parallelly important.

The session organized by the faculty was appreciated by the students and hoping to organize such inspiring sessions ahead in future which could help us to shape our future in better way.

Thank you our faculty for this.

*Report of Webinar on* "Extra steps for getting placed quickly"

29th October 2022

A webinar on the topic "Extra steps for getting placed quickly" by the speaker Mr. Qaidjohar Jawadwala was held for the students of TE-IT on 29th October 2022.

The webinar started with a basic introduction to the workings of the IT industry by the speaker, Mr. Qaidjohar Jawadwala. The introduction covered the important roles we can perform in MNCs and the skills the IT industry is looking for in the candidate applying for the job. The skills weren't only relevant to the IT industry but also important in our daily lives. Further in the session, he brought to our attention the important aspects we need to work on to get a better placement, which include:

- Know the space (Know exactly what you like & what position you like working for)
- Polish relevant IT skills (Specific skills that the employers are looking for).
- Get a certification (Earn credentials and learn fundamental IT concepts).
- Network (Connect with Others)
- Look for an entry-level position (This requires minimal work experience).
- Polish your interview skills (Prepare your resume well).

He also shared his experience as a student what all basic points to remember. All over, we learned so many things through this session.

Report of Workshop on "Master in Front End Development Using Angular"

The Department of Information Technology organized a 30 hrs. workshop on "Master in Front End Development Using Angular" by Mr. Pritam Kamble, MEAN Stack Developer/Flutter Developer, Biz2credit and trainer at Linkcode Technologies from 11th March, 2023 to 10th May, 2023, from 10:00 AM to 01:00 PM through hybrid mode for SE IT students. Total of 50 students have successfully completed the workshop.

The program started with a welcome speech by our Head of Department (HOD) Prof. Dr. D.A.Godse and the introduction of the speaker by second year IT student Ms. Neha Sutrave.

Speaker started with introduction and need of angular in front end development. Then he explained HTML, CSS, JavaScript in detail. He taught about the components in Angular JS and working with Angular CLI. He also gave demonstration all the concepts he taught.
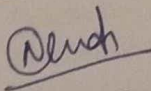

He assigned mini project of angular to group of students.

Participation certificate was given all the students who had actively participated in the workshop and properly completed the mini project.

Workshop was very interactive. The students have got satisfactory answers for their questions.

The conduction of this MOU activity was a grand success.

This Memorandum of Understanding ("MOU") is executed as of date: **"01-06-2022"**

This MOU will be valid till **31-05-2023**

Party 1: **KasNet Technologies Pvt Ltd.** a company registered in USA and India , having it's Registered office at Narhe Industrial Estate , Narhe , Pune -411041.

Party 2 : **Bharati Vidyapeeth's College of Engineering for Women**, Pune

Where ,KasNet is a US base leading information Technology Company having its offshore development center in India.

Whereas, Partner is in the business of Academic Institute ("Partner solution")

Whereas, both the Parties wish to work together to promote mutual business interest and this MOU ets forth the terms of their understanding.

1- Objective: The purpose of this MOU is to develop and extend a framework of cooperation and joint operations which will be henceforth called "MOU" between KasNet and Partner to commence and progress towards a mutually beneficial engagement . This MOU seeks to crystallize the understanding of both parties as regards the mode of their engagement and define their roles and responsibilities.

Both parties have mutually agreed to conduct the following activities under the MOU.

A- Carrier Guidance Program
B- Knowledge sharing sessions, How to prepare for Interview in MNC
C- Placement preparation for students, Mock interviews
D- Microsoft Exam Preparation and Exam conduct
E- Soft Skills session and Preparation
F- Free Internship to Students.

Above seminar will be free of cost, no cost will be added after seminar

US Office:-KasNetInc ,
3 Monument place, Acton, MA-01720 :

2 . Responsibilities of College:

A- Nominate a Single point of contact (SPQC) to support this activity from college side.

B- Ensure necessary logistic, infrastructural and academic support (through teaching faculty) to conduct the various activities .

3 – Responsibilities of KasNet:

A: Nominate a Single point of contact (SPOC) to support this activity from Kasnet side.

B: Provide necessary technical, logistic and infrastructural support to conduct the activities.

C: Workshop may be conducted if institute wishes

4 : Joint Responsibilities of the parties :

A: Ensure active participation and end to end support to achieve desired result.

B: Set up joint progress tracking mechanism.

C: Sync up on periodic basis.

D: Provide infrastructure support on need basis.

E: Follow ups with internal as well as external stakeholders.

5- Termination: Either party may terminate this MOU in the following events:

A. In the events of insolvency, bankruptcy or winding up of the party.

B. With a written notice of 30 days to the other party.

C. On entering into a Definitive MOU

Webinar on Microsoft Cloud and AI Internship
Brief Report of Activity

A Webinar on "**Microsoft Cloud and AI Internship**" has been organized in Bharati Vidyapeeth's College of Engineering for Women for Third-year Computer Engineering students. The guest speaker for the session was AMOL AHER on 02/11/2022.Mr.Amol Aher is an IT professional having more than 17 years of experience. His domain expertise includes mobile/core banking, legal, finance, tax filing automation and data center management.

The program started with the welcome speech and introduction of the guest speaker. Mr. Amol Aher then started his presentation on 'Microsoft Cloud and AI Internship'. He started the webinar with explaining us about internships and the importance of completing internships along with the academics during engineering. He also gave us information about achieving good internships and the skills that must be developed. Moreover, the information about how an individual can secure an internship in cloud and AI in a company as reputed as Microsoft can be achieved.

The Webinar was concluded with a brief summary and the sincere vote of thanks. Overall, it was really beneficial as we came to know about the importance of Microsoft cloud and AI internship
